Welcome

To the 2016 Summer edition of the Ayrshire Journal.

Hi everyone. Taking over as your new President following a very successful conference in May in Derbyshire is proving to be a challenging role. I am very much aware of the challenges facing our industry at the moment, however, while writing my first President's report there does seem to be an upward turn which is promising, and I hope this will continue well into the future for us all.

Gilmour Lawrie

In early June, Caroline and I sailed to Rothesay to present James McAlister with his picture for winning the All Britain Photographic Competition Heifer In-Milk Class. At the Royal Highland Show there was some excellent stock on display with Michael Howie's Red and White heifer winning the Junior Interbreed section. Cuthill Towers topped their day by winning the Interbreed Dairy title with their Red and White cow Cuthill Towers Classic Ellie. The Red and White successes continued at the Livestock Event with James McGarva's Horseclose Joanna claiming the Interbreed Champion. This Champion cow was a great tribute to all the Young Breeders for the way they turned the cow out, and I would like to thank them for their hard work and effort with all the animals that our breeders sent along to the Livestock Event to be shown. The new Society and Cattle Services stand was looking good at the show, and I hope that many of you have had the chance to meet Sam Wake, Sales and Marketing Manager for Cattle Services.

Caroline and I were very fortunate to be invited along with Philip and Sharon Williams to the Royal Garden Party in Edinburgh, the sun even made a small appearance and a wonderful time was had by us all.

July was a very busy month, but the weather we were experiencing was proving very hard to make silage. We managed to get to The Great Yorkshire Show for a few days where we caught up with old friends, and were introduced to many new ones. Another champion for David and Christine Sanderson following on from their success with Sanderson George Evergreen 310 at the Royal Highland. The following week we drove the six and half hour journey to Wales for the Royal Welsh Show. The sun was certainly shining and temperatures were high which made it a challenge for exhibitors to keep their stock cool. Congratulations to the Williams family for their success on both days.

In August I attended the judging seminar at Cuthill Towers, where there was a large turnout of members and excellent classes of stock in a great venue. A great deal of effort and preparation went into the day, so congratulations to all the Lawrie family for such an excellent event. Campbeltown Show was the next stop, and another fine day where we saw a great show of excellent cattle. I have also attended various club meetings, and I am looking forward to speaking to those clubs that have invited me along over the next 12 months.

Time is certainly flying by, and it's hard to believe that when you read this it will be September. I am looking forward to the autumn shows where I hope to catch up with many of you.

Office News Summer 2016

Robert Adams and Claire at the Queen's 90th Birthday celebrations

Keith and Jane Davidson and their granddaughter Amelia

Claire's News

Summer journal! I think the summer here in Scotland has lasted about a week in total. In April when the weather seemed considerably better, our young members had a great time at their annual event, and here at the office, we enjoyed looking through the photos taken during the weekend.

Alex Kirkpatrick, and Edward & Margaret Evans with the Cattle Services Prize Draw cheque

Council met during the annual conference, and the new council members for 2016 / 2017 were appointed along with co-options, various committees and convenors. I enjoyed working with Robert and Jennifer Adams and Barbara Temperton on the organisation of this year's event and the arrangements went without a hitch which is due to the fine detail required to ensure it is a successful event. I participated in the farm visits on the Monday and Tuesday which I thoroughly enjoyed, although I keep managing to make the wrong choice of footwear when visiting farms! Edward and Margaret Evans joined us throughout the conference and it was great to welcome them both to present the Cattle Services Prize draw for £1,000. The lucky winner was A C Woodley & Partners who were unfortunately not there to receive it, but were delighted when they heard the good news. Also at this year's conference, Edward Evans was made an Honorary President of the Society for which he was thrilled to accept. Preparations for the 2017 conference are already underway, and with having our President, Gilmour as the closest member to the office, it should be an advantage with the organising.

In June I was invited by the President's Committee to represent the Society at the Patron's Lunch which took place on Pall Mall to coincide with the Queen's 90th birthday. It really was a once in a lifetime chance, the seats were so close to the Mall, and we were lucky to be a stones throw away from the Royal family when they came down the Mall. Despite a few showers, it really was a brilliant day out, with great company that I will treasure and remember for a very long time.

At the Royal Highland Show in June, the new stand was unveiled in its entirety, and I was pleased to hear the positive comments from all the members. The Society's newest member came for a visit - judge - Keith Davidson's newborn granddaughter Amelia, and it was certainly a pleasure to have her on the stand.

Nicole

The National Show at Livestock was a great success, and many congratulations to our young members who continue to be the envy of other breeds for their knowledge and professionalism in the show ring. It was pleasing to see how our visitor from New Zealand - Nicole fitted in so well and was made to feel like part of the team.

If there is any matter the office can help with, please don't hesitate to give us a call or email.

As at 31st July the Membership is as follows:

Junior Free	178

Obituary Bill Carr

The Ayrshire breeders of Staffordshire and Derbyshire were extremely saddened to hear of the death of Bill Carr on August 13th.

Bill was a much loved and respected member of the farming community of the North Midlands with his involvement in many agricultural shows and local organisations in the area, in particular the Dovedale Sheep Dog Trials which he was associated with for approximately fifty years. Many people will remember his involvement with the Derbyshire Conference in May, with his wit and local knowledge of the area as a courier on the coaches that week.

There is no doubt Bill will be greatly missed by all who knew him and this was amply demonstrated by the considerable attendance at Bill's funeral in Waterfall Church.

Lifetime Achievement Award

Chris Window - Hunnington Ayrshires

At this year's AGM a lifetime achievement award was presented to Chris Window for his achievements and contribution to the Ayrshire breed. He received a standing ovation from over 100 delegates and attended the AGM with his wife Hazel and daughter Lisa along with her husband Paul. His great friend Graham Hall paid a tremendous tribute to Chris as a family man, and a master breeder that he is with his herd Hunnington Ayrshires. A true testament to a great man!

Summer 2016

Premier Breeder Award

A & S Lawrie - Cuthill Towers Ayrshires

The 2015 Premier Breeder Exhibitor award - the Haresfoot Vase was presented at this year's annual conference to Arthur, Susan, James and David Lawrie, Cuthill Towers. Runner up was Andrew Rimmer, Holmeswood.

David, Arthur and James

Kevin Lawrie - Brierside Ayrshires

Stockman Of The Year is the biggest and most sought over title within the Scottish Young Farmers movement. Held at the Royal Highland Show, there are two parts to the day. During the morning you judge your favourite area - obviously the dairy for Kevin. The total points from the morning's judging goes towards the individual award and pairs award in each section, and the team award, which is two dairy, two beef and two sheep. The top six out of 50/60 people in each section go through to the afternoon giving you a total of 18 finalists. The slate is then wiped clean, and everyone judges two sheep classes, two beef and two dairy, and then give a set of reasons for each section. Afterwards you are asked to do a beef, sheep and dairy demonstration saying the good and bad points of the animal in front of you, followed by a completing a 50 general knowledge farming question paper.

Kevin was lucky enough to wipe the board in the morning, winning dairy individual for the second time, dairy pairs with Andrew Struthers of Glenmuir Ayrshires for the fourth time and, the Glasgow Herald Trophy for the best team for the second time. He then went one better than his second overall placing last year, and won Stockman Of The Year on his sixth time competing in the competition.

Kevin Lawrie

Richard Baynes & Family - Marleycote Ayrshires

The Marleycote herd owned by the Baynes family is currently made up of 60 dairy Shorthorns and 60 Ayrshires averaging around 8000 litres at 4.1% fat and 3.4% protein. 50% of their milk is sold to over 100 retail outlets under the Northumbrian Pedigree brand.

The family were nominated by one of their retail customers for this year's Family Run Farm Of The Year category in The Northern Farmer magazine, and they were very pleased to win, if not a little surprised as there was some tough competition. The family then entered the North East Rural Awards competition run by the Newcastle Journal newspaper in the class for small farm up to 200ha, and again despite tough competition they managed to win that as well. To top it off, they have made the final three for the dairy farmer of the year in this year's Farmers Weekly run competition with the results being announced at the awards night at the London Grosvenor Hotel this October. Good Luck to the Baynes family.

Breed Manager's

Report - Summer 2016

by Duncan Hunter

Two cow families
being used by
Breed Heritage to
continue the
development of
the UK
Ayrshire breed.

Devas Fenela 23 EX 95 6E

Horseclose Joanna EX 94 3E

My report to you in this journal is going to be full of positives and enthusiasm for our breed, because that's what it's really like out there. I know it's difficult for those who have not been able to venture away from their farm entrance, and that milk price has been so poor, but look at it this way...if you didn't have Ayrshires, things would be much worse! It's a tall ask, but when things are hard and you feel down, take a day out to attend a show, market, breed day, anywhere with different surroundings. It will be a real tonic! However, I would avoid the shops!

So much has been going on since our last edition of the Ayrshire Journal - we have held the very successful Young Breeders Gathering in Cheshire, the AGM and Conference in Derbyshire, two judging schools in Cornwall and Kinross, plus the usual shows all over the country. Reports on these are already in this issue, but what I will say is that all the events have been well supported by our breeders and we have promoted ourselves to the fore each time.

So apart from being at or running all of these events, I have also been fortunate enough to travel all over the country, visiting herds and representing our breeders and attending meetings both at home and abroad. Since April I have visited farms and gone to meetings in Derbyshire, Yorkshire, Stranraer, Glasgow, Cornwall, Devon, Staffordshire, Cheshire, North Wales, Worcestershire, Lanarkshire, Kirkcudbrightshire and Norfolk. I am delighted with the progress of our breed that I have seen on farm - breeders have achieved the right type of cow for their own systems. You must focus on this, and with our breed, it is readily achievable due to the broad range of bloodlines available.

I have also been in Norway to the European and World Red Dairy Breeds Conference. This proved to be a very worthwhile trip, not only in understanding the needs of red breeds around the world, but being able to put our bloodlines out there amongst the options for use in

Red Dairy Breed Conference Delegates

breeding programmes throughout Europe and the rest of the world. Many subjects were covered on the agenda including Genomics, promotion of Red Dairy Breeds, evaluations of data, inbreeding and cross breeding. I presented a PowerPoint slide show and talk on British Ayrshires to all of the delegates, from the likes of Australia, Israel, Poland, Latvia, Finland, Sweden, USA, Denmark, Norway, Estonia, Germany, and Spain amongst others. I am continuing to keep in touch with many of the countries and organisations who I met with, to work closely together to benefit all red dairy breeds, in particular ourselves.

Breed Heritage is also a big part of my work, and I am continually excited to keep finding new families to add to our watch list. People ask me what the qualifications are, simple - good cow families with regular calving to keep fertility strong. The rest can be bred in over the years ahead to get to where those families need to be for future breeding. Genomic testing is soon to start on some of these families as a guide, but rest assured - only a guide! Families and breeding experience will always carry a lot of weight for selection. After all, scientists were never put on this earth to breed cows! Two more animals recently added to the watch list are **Devas Fenela 23 EX 95 6E** and **Horseclose Joanna EX 94 3E**. Fenela is a cow many of you will remember as a great young cow from when we visited the Roskilly's Devas herd at the last Cornwall conference. She is now a fantastic cow, and has a number of granddaughters who we shall also keep on watch. She is by Pant James Bond and has this time been bred to Hunnington Mandella. Also added is Horseclose Joanna, a Kian out of the great Joanna family from Muirston. Many of you will have seen

*Young Breeders
at this year's
gathering
in Cheshire.*

her at the National Show. Although her percentages are not ideal to be a bull mother currently, we are looking to work with the McGarva family to bring the bloodlines back to pure, starting with a flush to Hilltown Oblique to protect the phenomenal components and all of the superb traits of this cow. We hope for a bunch of heifer calves to add to our Breed Heritage list for future breeding programmes.

We have had many enquiries of interest in our breed since the beginning of the year, and we have placed over 120 Ayrshires into new breeders in the past few months. I will get around to visiting all of these new members to encourage the continuation of registering the animals purchased and possibly persuade them to take on more? If you have some stock to sell, use our website as that is where we direct potential buyers. You can submit your own animals for sale by going to the breeder's area on our home page and then click on "submit animals for sale". Fill in all of the details and add photos if you wish. Simple as that! A great facility that is open to you to sell any surplus stock.

Please remember we do have facilities to help you save money, and to spread payments on services to you, through the CIS Complete system and also the NMR Total Herd Recording. With these packages you can combine your registrations, milk recording and classifications (classifications with CIS only) in one monthly payment in order to help you with your cash flow. Feel free to contact me for more information or speak to your area milk recording supervisor to arrange a quote.

I am delighted that the classification numbers within our breed are holding up, and I am also satisfied with the consistency of the linear scoring within our breed. Yes, there is the odd occasion I hear from members that a certain show heifer or cow is over or under scored, but the commercial reality is that on farm in general the consistency is there, and animals are being scored along the guidelines from our Society. Scoring animals helps us all - the more daughters scored the higher reliability of information on sires will be available for you. Please continue

to put ALL heifers out for the classifier. For those of you who are interested in starting classifying, again contact to me, as I can arrange a free walk around by a classifier so that you can see the benefits of classifying your herd.

Breed promotion at this time is paramount to push our breed as a serious alternative, and also an option for inclusion in commercial cross breeding programmes. This is why we have arranged a breed open day at Brundcliffe Farm, near Buxton in Derbyshire, designed to promote the breed to the commercial dairy farmer. By the time you read this the event will have passed and hopefully it will have been a huge success. If it is, I will be encouraging Council to allow us to run an event like this each year, moving it around the country. We shall review this at the October council meeting so please, those who attend, give some feed back to your council representatives.

I will end my report with some news of the future of our National Show. Our current venue, The Livestock Event, have announced that there will be no cows at the 2017 show and have moved the show date to within two weeks of the UK Dairy day. A ludicrous decision which I have no doubt will be their downfall! I am currently exploring other options for a National Show in 2017, and will keep membership up to date with any developments.

Regarding this year's show, I will take this opportunity to commend and thank the young breeders team who prepared and showed the animals from all over the UK. You all did the Society and yourselves proud. It was truly a team effort and the fact that we looked after, prepared and showed the Interbreed Champion made what you did even more special and increased the recognition of our young breeders. This year's team were led by James Lawrie, Stuart Williams and Colin Davidson and included Shaun Rennie, Becky Walters, Asher Bradley-Seddon, Jake Sayer, Peter Howie, Evie Tomlinson, Chris Jennings and Nicole Maher from New Zealand.

Judging Seminars

by Duncan Hunter

Judging Seminar - Glubhole Farm

By kind permission of C Walters (Lyner Ayrshires)

A gorgeous day of sunshine was ordered, and delivered for our southern judging seminar, which was held in conjunction with Courtney Walters' 70th birthday celebrations at Glubhole Farm, Launceston.

Courtney had put on two outstanding classes of heifers and cows for the 35 members present, who were there to re-qualify or qualify to join our panel of judges. All animals had been turned out immaculately by Courtney and his family.

I was immensely impressed by members accurate and positive reason giving. The consensus results of judges already on our panel worked extremely well yet again. This enabled us to have some very constructive discussions on the results of the final placings, which I am sure helped to give direction to those new to judging, and also to the junior members who were present.

After joining over 60 of Courtney's friends for lunch, prepared by Deborah Christophers, we all had the pleasure of walking amongst the Lyner herd where longevity features highly along, with tremendous mammary, and superb legs and feet with great locomotion. A real pleasure for us all to witness.

Many thanks to all who contributed to making the day a huge success, including Chris Weaver who assisted with the scoring, and to all the handlers, and of course Courtney and his family for putting on a wonderful display of cattle.

Judging Seminar - Cuthill Towers Farm

By kind permission of A & S Lawrie & Family

For all those who attended the judging school and celebrations of the Lawrie family's show successes at Cuthill Towers, will agree with me, what a fantastic day it was! The day started with the judging school where we had a large number of competitors, many of whom had travelled many miles. Two classes of outstanding junior cows, immaculately turned out, were to be placed and reasons were to be given by the competitors. With a superb show ring as our venue, and great co-operation from everyone, the morning ran very smoothly. Again our consensus scoring system allowed the classes to be placed with following discussions being very constructive as to what we should be looking for to promote our breed in the showing.

Once the formalities of the judging school had finished, we were then treated to an exhibition of the four Champion cows which have created the success for the Lawrie family over the past 12 months or so. First out was Cuthill Towers Miss Blondie 2 EX 94 (2) - Breed Champion at Agriscot 2015. The 2015 National Ayrshire Show Champion - Cuthill Towers Radar Ray 13 EX 94 (2) was next, draped in all of her winning sashes, then out came Cuthill Towers Classic Ellie EX 91 - 2016 Royal Highland Red and White Champion and Supreme Interbreed. Last but no means least, out came the 2016 National Ayrshire Champion - Cuthill Towers Crown Ray EX 91. Four major championships with four different cows!

A super lunch was provided for us all by the sponsors of the day which were very much appreciated, with some liquid refreshment that was available throughout the day and night! Three more classes were paraded in front of us for a stockjudging sweepstake competition, again with so many quality animals looking on top form. For this the master judge was President Gilmour Lawrie.

Day visitors were then able to explore the superb facilities, and the rest of the herd at Cuthill Towers before departing for home. Suggestions that some stayed on for a "lock in" have not yet been proven! The day was a testament to the hard work and breeding philosophy at Cuthill Towers, promoting themselves and the breed where ever they go. It has to be said that the work that went into this special day was evident to all who were fortunate enough to be there.

Conference Derbyshire 2016

by Duncan Hunter / Images by Ruth Downing

Derbyshire was the venue for the 2016 AGM and Conference, where we were based at the stunning Breadsall Priory Hotel in lovely surroundings.

The Council meeting officially started the event on the Monday morning, which swiftly moved along on time to the AGM. The outgoing President, Robert Adams, welcomed all the delegates and ran through the full itinerary before leading into the official business of the AGM. The officers for the coming year were welcomed in, with Gilmour Lawrie taking on the role of our President, Philip Williams moving to Vice President and the post of Junior Vice President going to Keith Davidson.

Once business was finished, some awards were made. Recently retired from Cattle Services, and for his service to the breed and to the Society for so many years, Edward Evans was unanimously selected as an Honorary President of our Society.

An outstanding service award is presented to someone who has done so much for the breed in their lifetime. The 2016 winner of this prestigious award was introduced and presented by the winner's great friend Graham Hall. Graham gave us all an outline of the recipient's work as a farmer, breeder and of course a family man. A standing ovation followed for Chris Window as the receiver of this accolade.

The last major presentation was to the 2015 premier breeder and exhibitor award, the Haresfoot Vase. The winners of this were Arthur, Susan, James and David Lawrie from Cuthill Towers.

After the presentations of the other awards, we boarded the buses to head to Loughborough, home of the Tomlinson family and Sandyford

Ayrshires. There was a lot of interest from many there looking for individuals to watch out for in the herd reduction sale this September. The cows and heifers at Sandyford were full of power and strength, and with a lot of family history. A stunning afternoon's weather, great cows to view and superb hospitality with lunch and drinks on the lawn, really did make the Queen's garden party look a little bland!

For day two it was back on the buses to head to the first farm visit - the Needham family and their Bradnop herd. This was a very balanced herd, clearly improved generation after generation by a very dedicated family. We then moved on to the Heydale herd of Derek and Peter Berresford, where a delicious lunch was ready to greet us. Again the walk around the cows was very impressive where the cows had particularly great frames and substance to them. The final visit of the day was to Brundcliffe Farm, home of the Broadley family and their Whitecroft herd. This is where we are to host an open day in September, so we had a trial run as to how the day would work by splitting out all the Cattle Services sired animals from the rest. This really worked well and all were very impressed with both groups of cows - naturally looking with great conformation.

An evening reception hosted by Cattle Services started the proceedings for the annual conference sale, where we were very fortunate to have Mark Elliott from Bagshaws as our auctioneer who created great entertainment throughout the sale. Two live lots were auctioned for the top prices - firstly Howard and Linda Batty secured the last bid on Sandyford Crown Clover for £4900. Although only three weeks old, she is a natural daughter of the great Sandyford Clover 10, and sired by Ardmore Crown Napier, which is no doubt an exciting prospect. The second top price came via a telephone bid of £3000, from Richard and Tracy Martin from Devon, for the pick of any animal in the Bigginvale

herd. Richard and Tracey have since visited Bigginvale and chose Bigginvale Apple Blossom 14 VG 86 a Bigginvale Gizmo daughter from that great family. Embryos sold very well to a top of £400 per embryo. Tom and Sue Crawford from Norfolk purchased the package of Mandella sired embryos out of Pam Ayrs Right On Rosie, whilst at the same price Klaus Johansson from Sweden purchased the package from Whitecroft Nellie 38, to be sired by the purchaser's choice of bull.

Also in this year's sale, we had a tapestry and cross stitch which was a result of many hours of work from Elizabeth Needham. Successful bidders were Robert Adams and Paul Harris raising a total of £330 for The Heart Foundation and Cancer Research. Linda Batty added to the sale a wonderful tie painting and Robert Cornish was the happy recipient. This along with Linda's busking by playing the flute raised £154 which Linda decided to donate to the Air Ambulance. Thanks to both these talented ladies for their contribution.

On Wednesday morning, we set off to visit the Tessvale herd of Chris and Andrea Adams, a couple who have worked extremely hard (since starting in 1996) to set up a herd they can be truly proud of. It is a young herd with superb conformation which was a pleasure for us all to view, and yet again another fantastic lunch was provided. From here we travelled to Alkington Ayrshires, a relatively new herd and breeder who started in 2013. Paul, Lenora and Richard Harris have sourced bloodlines to fit their system, and can already be seen to be moving in the right direction. The final visit of the conference was to our outgoing President's Bigginvale herd, home of the Adams family. Another superb herd showing balance, superb mammary and legs and feet. Yet again we received refreshments fit for a

king before heading back for an evening of entertainment as the last event of the 2016 conference.

For the ladies there was their own special programme.

On day one of the conference, the ladies joined the men at Blaise and Deborah Tomlinson's, where Deborah and her trusty team of helpers provided a charming lunch with some delightful desserts. Later on, some of the ladies went off to a nearby outlet village to grab some bargains!

On the Tuesday the ladies visited Chatsworth House - home of the Duke and Duchess of Devonshire. The house is renowned for the quality of its art, landscape and hospitality, and it has evolved through the centuries to reflect the tastes, passions and interests of succeeding generations. Delegates explored over 30 rooms, from the magnificent Painted Hall, regal State Rooms, restored Sketch Galleries and beautiful Sculpture Gallery. In the 105 acre Chatsworth garden famous for its rich history, historic and modern waterworks and sculptures, delegates discovered

plenty of attractions at every turn, including the popular Victorian Rock garden. Thankfully nobody got lost in the garden's maze!

On Wednesday the theme was pottery and chocolate! In the morning ladies went along to the nearby Denby Pottery factory, and got a hands on experience by making a famous signature Denby Frog (I must remember to check if there are any still going as Office Manager Claire's, whom she fittingly named Duncan, unfortunately didn't make it to the end of the conference!) Sarah Bostock put her painting talents to the test by painting a Denby plate, which I am sure now has pride of place in her farm kitchen. The visit to the factory shop was a must as it displayed the largest collection of Denby in the world, and the bus was somewhat heavier on the return journey with all the homewares the ladies treated themselves to, with some managing to purchase tea towels with an Ayrshire cow taking pride of place. In the afternoon the ladies attended a chocolate demonstration in a marquee beside the absolutely beautifully kept garden at Robert and Jennifer Adam's Shirley Old Park Farm. Rachel Limer from Chocolates Of The Peak gave an interesting insight

into the art of chocolate making, and then it was down to work to decorate a pre-moulded chocolate shoe that Rachel had brought along. While some ladies struggled with the chocolate filled icing bag, others were naturals and the end results would not have looked out of place in any shop window. After the hard work was done, the ladies were treated to a wonderful afternoon tea with a delicious selection of scones and cakes.

A huge thank you must go to all of the sponsors of the event along with all of the organisers, the Derbyshire club, and Office manager Claire Kimm in arranging another wonderful conference. It has to be said that each and every farm host was an absolute pleasure for us to all visit. The quality of the cattle at all of the farms were first class, to which they should all be proud of.

Bigginvale Ayrshires

Head South Again

Richard and Tracey Martin, Golden herd were the lucky bidders at this year's Conference Sale, and chose Apple Blossom 14 VG 86 (Sire: Bigginvale Gizmo). They also took home two of her herd mates pictured below. We would like to wish them great success!

Young Breeders

Cheshire 2016

by Duncan Hunter
Images by Katie Davidson

The 2016 event was held in the county of Cheshire and we were based at Trafford Hall, near Chester. A superb venue of apartments in an eco-friendly environment.

Again we saw enthusiastic young breeders travel from all over the UK to meet up for what is one of the highlights of the year in the Ayrshire breed calendar. I can never run an event like this without help, and many thanks must go to James Lawrie and Stuart Williams for their continued support in running this event.

Day one saw us navigate through road works through Cheshire's country lanes to get to Upper Lightwood Green Farm, the home of the Beeline herd. Here Steve and Rob Bailey had 12 cows turned out immaculately for the first of the Hugh Stevenson events - the stockjudging. Master judge for the event was Ed Seaton, Styche Ayrshires. Ed was superb with his demonstration of judging which was appreciated by all of the competitors. Once judging was finished we were treated with a look around this superb herd and wonderful set up on the farm.

After a refreshing lunch, we headed to Tarporley to the Pagewood herd by kind permission of Matt Aidley. This is where we were to hold our annual bull mating competition. This is designed to make the young breeders think thoroughly on a mating of a sire on a selected female. Never an easy task to write an essay to give reasons, but this is always an event where feedback from the young breeders as to how much they are learning is very rewarding.

After viewing the herd and some light refreshments, we headed back to Trafford Hall for our themed night "Hippies" around the bonfire. Some very colourful people were in the dining room before heading out to the woods for a bonfire themed evening.

Toasting marshmallows, singsongs and games followed before the rain drove us indoors. Again in the early hours, some of our older young breeders headed into Chester on a recruitment drive!

The final day of competitions took us to Knutsford, the home of Booths Ayrshires. A massive thank you must go to Alan and Mike Norbury for putting on such superb facilities for the day's competitions. Competitors were assigned calves for the clipping competition, and it wasn't long before clippers were hard at work. Judging this section was the very thorough Rebecca Jarvis who did an outstanding professional job in judging and encouraging the youngsters. The sun was shining at this point, and it was a pleasure to witness the enthusiasm of all of the competitors and seeing tutors James and Stuart teaching and encouraging the less experienced competitors. Washing and top lining followed as lunch, in the form of a "fish and chip van" had broken down somewhere on route.

Eventually he managed to get near enough for Mike Norbury to tow him in on the tractor to get the cooking started. Hungry competitors commenced with the showmanship whilst the lunch was being cooked, and we were privileged to have the experience of James Hudson to officiate this competition. Again a super display of professionalism from all of the competitors of all ages.

The evening saw the prizegiving of the competitions, and of course the announcement of the Hugh Stevenson winner. It was a pleasure to have some of the judges present along with all of the hosts for what was a wonderful evening, and the end of yet another great Young breeders event. Our thanks must go to our three hosts, our judges and our sponsors who were Cattle Services (Ayr) Ltd, Clippaholics, H J Lea Oakes, Lambert, Leonard & May and Semex. We will all look forward to the 2017 event to be held in Northern Ireland.

New Zealander - Nicole Maher's UK Youth Exchange Trip

Winning the Shirley Crothers Memorial Trophy for New Zealand Youth Ambassador (similar to the UK Hugh Stevenson award) was such a privilege. To be sent to the UK on top of this was an amazing opportunity (and a dream come true!).

Landing in London on the 19th June, I caught up on some much needed sleep before heading out on a day of sightseeing in London with Duncan, Sarah and Will Hunter. Many laughs were had at Dunc's attempts at being a tour guide before Sarah took over the map reading. A bus tour of London's amazing sites was definitely the way to go, not to mention the lovely weather England had put on for me! I was hosted by the Hunter family for the night and met the gorgeous Haresfoot Bella 6 EX 95, still looking fantastic in her retirement.

20th June saw the start of my whirlwind tour of England and Scotland - first stopping in for a look at the Dudley Wood herd owned by the Hall family. Despite the rain, it was great to see a nice, uniformed herd of milking cows. Then it was on to lunch at Whitegate with Ian and Janet Patrick, a visit where some very promising young cows were admired. We passed over the border into Gretna Green for the night, seeing where those famous stories originated.

Next morning was a trip through to Jim and Janet McGarva at Horseclose Ayrshires. Here I saw some lovely Crown Napier and Moderns, as well as laying eyes on the magnificent Red and White Horseclose Joanna - what a cow! A quick cup of tea, then off again to visit Halmyre Urr Ayrshires. Keith, Colin and Nicola led a tour through the herd of strong, milky cows. I was also lucky enough to have a tour through the ice cream shop with Katie who insisted on getting me my first pint of beer. This was followed by a lovely dinner by Jane and a night spent at Castle Douglas.

It was onwards and upwards heading towards Edinburgh, stopping in at Caldervale to visit the Millar family. A great herd of capacious cows with good locomotion. We arrived at the Highland Show to drop some things at the Ayrshire stand and met some of the exhibitors as well. I spent the next day doing the tourist thing - getting lost is the first must to do activity, isn't it? After finding the way, it was up to the Royal Mile to the castle. An amazing place with rich history - I loved exploring Edinburgh.

24th June saw an early start with the startling news of history made with Brexit!! Not much thought for that as I was enraptured by the Highland Show and its class of stock. The overcast day and threat of rain held no sway - the Red and White Cuthill Towers Classic Ellie and Sanderson George Evergreen 310 were amazing examples of fantastic breeding. Ellie went on to win Sup Interbreed - well deserved for this stunning cow and her breeders, the Lawrie family.

The Ayrshire Journal

I was hosted over the weekend by Caroline and Adam Montgomerie at Lessnessock, who showed me around. I thoroughly enjoyed my tour of Dumfries House and Culzean Castle, as well as the herd visits to Knowe, Pocknave, Catcraig and Catrine House.

A train through the beautiful countryside to Cumbria saw me being picked up for a flying visit with Willie and Ann Whiteford. I was then dropped at Dianne and Eric Horn's organic farm, where I learnt the ins and outs of their cheese and yoghurt making business. The tour of the farm, the historic Hadrian's wall and Lescroft Abbey was extremely interesting - a great experience to have.

29th June consisted of a tour through the Lake District with Willie and Ann, even though it rained, the beauty is indisputable. It certainly didn't dampen the visit to the Mattinsons herd of lovely cattle.

Another train trip, this time to Buxton and Brundcliffe Farm with the Broadley family. Andrew took me for a visit up to their youngstock block where I saw many impressive Whitecroft Furtado heifers and a stylish Whitecroft Bella by Crown Napier. A view of Furtado himself left me awestruck - simply outstanding.

Tom and Sue Crawford were then the last hosts of my trip, who took me on an intriguing tour of their facilities and extensive land used for dairy and arable. Lovely, capacious milky cows dominate the herd and their youngstock were very exciting. The Crawfords also took me to a lovely pub for an amazing birthday lunch.

The last leg of the trip came way too quickly, but was the most exciting. The Livestock Event surpassed all my expectations. I had a fantastic time throughout all of it, and am so thankful to the team (Ayrshire Young Breeders) who made me so welcome. The team is a fantastic idea, with everyone pitching in with all the jobs - cleaning, bedding, clipping, feeding, etc. Exhibiting the first placed senior heifer in-milk (Halmyre Urr Louise 297) was a major highlight, with the top prize for best moment going to the winning of Sup. Interbreed Champion with Horseclose Joanna by the Young Breeders. The fun had by all the exhibitors coming together at the end is one of the best shows of comradery I've seen. The Young Breeders are some of the best people I've ever worked with - a massive thank you to Stuart, James, Colin, Nicola, Evie, Becky, Peter, Chris, Shaun, Jake, Asher, Lisa and Duncan. I'll never forget this experience and the way you all made sure I fitted right in. Also thanks must go to the UK Ayrshire Society and to Brent Crothers for making this possible. I saw a high class of cattle throughout my tour, and was extremely impressed with your present and upcoming sires. I can't wait to come back to see more!

Taking Note...

A strength of our breed is its diversity and ability for it to suit every system. Some of our young breeders have been asked for their opinions on what they look for, bulls they use, as well as cow families they take a keen interest in.

Scott Taylor (Old Mill Ayrshires)

Based 20 miles north of Aberdeen, Scott and his family milk 220 cows in total with 50 Ayrshire/Red and Whites under the 'Old Mill' prefix on twice a day milking. During the summer, the cows are grazed during the day and housed in cubicles at night, and are fed on a TMR diet of - silage, draff, blend barley and straw, with additional cake in the parlour according to yield. The preferred criteria that is looked for when selecting bulls is - good type and plus for milk, ideally pure, although a bit of Red and White blood is used, but Old Mill try to avoid Swedish red bloodlines. Currently in the tank is Palmyra Tri-Star Burdette, Waxham Executive, Tri-Star Platinum and West Mossgiel Class Talent. Scott's favourite UK cow families are the Fragys at Hunnington and his favourite homebred family at home is the Old Mill Glorias, and from abroad - Forever Schoon Ping / Pretty line stands out for Scott. A future bull Scott would like to use would be out of Hunnington Fragy 12 by Knutsford White Flash.

Robert McConnell (Beechmount Ayrshires)

On the family farm based in County Antrim, Northern Ireland, Robert and his sister Caroline run 60 Ayrshires under the Beechmount prefix within the families 170 cow dairy herd. Their cows are housed all year round and milked twice a day. The main criteria that is looked for is; PLI- as it takes so many different components into account. Positive milk, good for feet and legs and mammary. He has also starting to look at fertility index to improve productivity. Currently in the flask is Hilltown Oblique, Hunnington BBK Easlad, Hunnington Mandella, Whitecroft Furtado, Lessard Jumper. Hilltown Oblique and Sandyford Triclo sexed semen is also used. Cow families that Robert likes are the Rosy family from Palmyra in the USA, and the Punch and Magenta families in the UK. A future bull that Robert would love to use is Palmyra Rosy X Hunnington Mandella.

Shaun Rennie (Brocklehill Ayrshires)

At Brocklehill in Ayr, the Rennie family milk 200 cows fed on full a TMR diet. Shaun and his family always look to breed strong powerful cows using bulls from top cow families, with longevity and true type. Good components and volume is also essential to support their cheese contract. Currently in the AI flask at Brocklehill is - Forever Schoon Predator, Mapleburn Woodrow, Hilltown Oblique, Brocklehill Kestral, West Mossgiel Class Talent, sexed Rosehill Manderville and Palmyra Tri-Star Burdette and red bulls if needed are Absolute, Awesome Adam and Armani. Two UK cow families that Shaun admires are the Punchs and Fragys, and from abroad the Forever Schoon Pretty family. Shaun's dream bull would be from Horseclose Joanna EX 94 x ? (He wants to think about that one)!!!!

Kellie Cornish (Butterbesley Ayrshires)

Kellie runs her herd of 230 cows with her family under the prefix, Butterbesley based near Tiverton in Devon. Their cows are grazed for five months in the summer, housed on sand cubicles and fed TMR, and the milk is sold on a Davidstow cheese contract. When selecting bulls to use, they opt for sires that have high butterfat and protein. In the flask Kellie currently has - Hilltown Oblique, Bigginvale Destination, Terracebank Free Beer, Snowman, Grandage Bright Spark, Wroughton Lord Winston and Kamouraska Rockstar. Cow families that Kellie has a keen interest in are - the Bigginvale Candy family and the Violets at Hilltown, and from the outside of the UK - the Hidden Valley Garth family. Kellie states that her dream bull for the future of her herd would be a Hilltown Violet family member X Garth.

Ayrshire Success

After a hugely successful period for our breed and breeders throughout Great Britain and Ireland, at both National and County shows, in the Ayrshire classes, the British Red and White classes and in particular in the Interbreed ring - take a look at the roundup of success so far this year. It's phenomenal!

Marleycote Sea Lily 14 EX 94 (2)

Ravenhill Ethel 572 VG 87

Cuthill Towers Classic Ellie EX 91

Sanderson George Evergreen 310 EX 92

Starting back in May at **Ayr County** we saw **Muir Oblique Ursula VG 88**, from W Watson, take breed champion and Reserve overall supreme. Sired by Jelyca Oblique from such a consistent family, there is no doubt this young cow will develop into something special.

Balmoral Show in Northern Ireland was one of the first major events. Matthew Service travelled over the water to judge a superb display of Ayrshires. The McLean family with **Marleycote Sea Lily 14 EX 94 (2)** took the championship, over Christian Keenan's **Cuthill Towers Pam 30 EX 93 (2)**, and the Heifer Championship went to John Suffern with **Ravenhill Ethel 572 VG 87**.

In June at the Royal Cornwall Show, Richard Baynes was the breed judge, and Arthur and Debbie Walters and family had a great day winning Champion and Reserve Champion with **West Berriow Modern Rosehip EX 91** and **Reid's Crimson Tulip VG 87** respectively. The Cornwall Club should also be congratulated on winning the best Breed Society stand which is testament especially to Deborah Christophers who put so much work into making it a success.

The Royal Highland Show was again a spectacular event with great exhibits throughout the Ayrshire and British Red and White classes. Keith Davidson officiated all our the breed classes starting with the British Red and Whites. Winning the Junior Championship and then going on to win the prestigious Interbreed Junior Champion was Michael and Peter Howie with **Morwick Ruth 158 VG 86**. **Cuthill Towers Classic Ellie EX 91**, from the Lawrie family, won the Overall Championship, and then went on to be crowned Interbreed Dairy Champion.

In the Ayrshire classes there were wins for the Lawrie family in the junior and dry classes, and the Mattinson family who took the Heifer Championship with **Troutbeck Modern Apricot**, and then went on to win the strong junior cow class with **Troutbeck Burdette Jess 3 VG 88**. This year's Ayrshire Champion and Reserve were the first and second placed intermediate cows. David and Christine Sanderson had their first ever Highland Championship with **Sanderson George Evergreen 310 EX 92**, and second to her and the Reserve champion was **Cuthill Towers Crown Ray EX 91** from the Lawrie family.

At the Norfolk Show, the judge, Stuart Williams, chose John Smith's **Twemlow Peggy 12 EX 92**, by Twemlow Major Threat, who was very fresh but fought off strong competition to win the breed championship. **Sandyford Clover 10 EX 97 (7)** also had an outing and was shown in the "Other Dairy Breeds" classes due to the change in our showing rules. Clover went on to be Reserve Interbreed Champion for the Tomlinson family.

Cuthill Towers Crown Ray EX 91

Horseclose Joanna EX94 (3)

National Ayrshire Show 2016

Yet again the Ayrshires put on a great show at the Livestock Event for our National Show. We were fortunate that our young members were out in force, enabling cows to be shown that wouldn't have been otherwise, and along with great support from the Scottish breeders, this show was again a huge success for our breed. With the run up to the show, our young breeders worked tirelessly to prepare the animals entrusted to them. Some needed a little more halter training, and all needed a full clip, along with the usual show preparations.

Show day arrived, and this year it was Blaise Tomlinson who was to officiate, and what a great display of judging and promoting the breed he did. First up were the junior heifers, six in the class, and after a final swap, and a very close contest it was **Hunnington Astral Maid 5** who took the win over **Longwood Woodrow Sandy Rose** for her overall balance. The senior heifers again saw six classy heifers forward - **Halmyre Urr Louise 297** took the win for her strength and width through her front and for her beautifully balanced mammary over the very sweet **Willhome Challenger Amanda**. The top two heifers from each class then came to compete for our Junior champion. Blaise was adamant with his choice of **Halmyre Urr Louise 297** as his junior champion, being a great example of what our breed is all about!

Eight junior cows forward and, as our judge remarked, not an easy class to place. Blaise opted for the power and strength and correctness of legs of **Cuthill Towers Prime Nancy VG 85** in first place over **Hunnington Sailor Girl 141 VG 87**. The intermediate class was another close contest according to our judge. With another class of six forward, Blaise opted for the frame and presence in the ring from **Willhome Modern Caroline 2 VG 85** to take first place over **Cuthill Towers Radar Ray 16 EX 92**.

The senior class saw yet again another win for the Cuthill Towers herd, this time by **Cuthill Towers Crown Ray EX 91**, who looked on top form, who took first place over **Willhome Gold Moppit 2 EX 93**. The breeders group was up next and this is always a favourite class for many around the ring side. This class brings so much to the show in numbers and quality. Cuthill Towers were the winners of the class over the group from Halmyre.

Halmyre Urr Louise 297

Willie Stevenson and his family receiving the interbreed award at Stranraer Show

In the British Red and White class, which is a Championship in itself, we again saw real quality competing, and from the way Blaise spoke about the winner I don't think he had any hesitation in putting up the fifth lactation **Horseclose Joanna EX 94 (3)**, for her incredible balance of dairyness, bone quality and mammary qualities over the youthful **Cuthill Towers Fidelity Miranda VG 88**. Breed championship was again a spectacle, with the judge, Blaise Tomlinson, tapping out **Cuthill Towers Crown Ray EX 91** as his Grand Champion, then from the same camp **Cuthill Towers Prime Nancy VG 85** as Reserve with the heifer champion, **Halmyre Urr Louise 297** for his honourable mention.

In the Interbreed contests the Ayrshires and the Red and Whites again did us proud. **Halmyre Urr Louise 297** took the Reserve Heifer Interbreed title behind an awesome Jersey heifer. The Cow Interbreed was a phenomenal success for us, when the British Red and White Champion, **Horseclose Joanna EX 94 (3)** from Jim McGarva, prepared and shown by our young breeders team (with Shaun Rennie on the halter) took the Interbreed title. Reserve Interbreed was the National Ayrshire Show champion from the Lawrie family, **Cuthill Towers Crown Ray EX 91**.

This was the last time our National Show will be held at the Livestock Event due to some ludicrous decisions by RABDF on the future of the event. We have some exciting options for the future of our National Show, and I expect to make announcements on that soon.

More Ayrshire Success Stories...

The Sanderson family were in top form yet again at this year's Great Yorkshire Show. Geraint Thomas placed David and Christine's **Sanderson Break Esther 493 VG 88** as his breed champion, with **Marleycote Sea Lily 21** from the Baynes family in Reserve.

In the intense heat of one of the hottest days of the year so far, Peter Berresford travelled to Builth Wells to the Royal Welsh Show where another fine display was on show for him to judge. The Junior championship went to the milking heifer **Gwynnog Rudi Linnet** from Geraint Thomas, and later in the day she went on to be Reserve Breed Champion. The cow on top form on the day and who took the championship was **Willhome Gold Moppit 2 EX 93** from Philip and Stuart Williams. The breed did superbly well in the Interbreeds on the following day and it was the Interbreed pairs that the Ayrshire breed triumphed in, both from the same camp, **Willhome Gold Moppit 2 EX 93** and **Willhome Modern Caroline 2 VG 85**. A huge success for the Williams family.

As I write this, news has just come in - Interbreed champions for our breeders at Bakewell Show - **Heydale Serengeti EX 90** from Peter Berresford. Stranraer Show - **Stevenson's Bunty 114 EX 93** from Willie Stevenson. Honiton Show - **Gargus Gemima** from Chris Creeper and Dumfries Show - **Horseclose Joanna EX 94 (3)** from Jim McGarva.

A massive achievement from all of our breeders from all over the UK. Behind all of these winners have been many superb quality animals out to promote the breed and their herds. A year so far to be proud of being a part of the Ayrshire Cattle Society. For full results of the shows - please visit our website - www.ayrshirescs.org

Sam's Update

Summer 2016 by Sam Wake

I can't quite believe we are over half way through 2016 - this year just seems to be flying by. Despite it being one of the toughest times ever for dairy farmers, the passion that we have had within our industry and, more importantly, the Ayrshire breed has continued to amaze me. I do feel that when we get through this difficult period, we as an industry will get through anything as we have been able to show how we can remain profitable in this testing climate.

Whilst I have been at shows over the past few months, it has been great to see so many exceptional daughters of Cattle Services sires. For the second year in a row, Cattle Services saw a daughter of one of their sires win the championship at the National Show. This year it was an **Ardmore Crown Napier**. Continuing our success at the National Show, was **Halmyre Urr Lieutenant** who sired the heifer in milk champion. It was also very pleasing to see that all four heifers in the heifer championship were sired by our sires - this included daughters of **Hunnington Admiral**, **Mapleburn Woodrow** and **Willhome Challenger**. Another fantastic show for us was Cheshire Show which saw **Green Lane Prodigy** sire the Ayrshire Champion. These results prove the strength and diversity of Cattle Services sires who can perform both in the showing and the parlour.

Away from the shows, it has been very pleasing to see so many outstanding daughters of Cattle Services sires whilst I have been visiting different farms across the UK. **Hilltown Oblique** continues to breed fantastic heifers - his daughters seem to get better with age. The heifers are not the biggest, but they are balanced individuals with superb attached udders. I am sure that the Oblique daughters are going to make some superb mature cattle. As well as this, we are now seeing **Haresfoot Simply Perfek** daughters calving in for the second time - they are maturing into fantastic cattle that work hard in the parlour, but also look good in the field. Another very interesting sire whose first daughters are starting to calve in is **Willhome Challenger**. His daughters have great udders, and I am confident that this bull will continue to breed some outstanding individuals in the coming years.

At the beginning of August, it was very rewarding to attend the open day and stockjudging at the Lawrie family's Cuthill Towers Ayrshire herd. One of several highlights from the day was to see their four champions from the major shows in the UK. Even more pleasing to see was that two of them were sired by our sires - Cuthill Towers Radar Ray 13 by **Hunnington Mandella** and Cuthill Towers Crown

Cuthill Towers Crown Ray EX91

Ray sired by **Ardmore Crown Napier**. Both of these cows have been Grand Champion at the National Ayrshire Show!

Over the last few months, sales have continued to remain very strong for Cattle Services. **West Mossgiel Modern Reality**, **Haresfoot Simply Perfek**, **Hilltown Oblique** and **Hunnington Mandella** have been leading the way in the proven bull section. Furthermore, **Rosehill Manderville** and the Sandyford bulls - **Supreme** and **Triclo**, have been selling well for young sires.

The two new release sires (**Hunnington Famous** and **Brieryside Snowman**) for 2016 both now have conventional straws available, and sexed Hunnington Famous semen will be available in September. It will be very interesting to see progeny from these young bulls as they are both bred from two of the best families in the UK. I believe that using young sires is very important as, without this process, we will never have access to proven sires. If either of these two sires are of interest to you and your breeding program, then please don't hesitate to contact me.

As a company, we are always looking to add new interesting sires to our portfolio. Working alongside Breed Heritage, we are starting to identify new sires that can join the Cattle Services collection. There are some very interesting matings that will hopefully result in some great progeny. Furthermore, we are looking to genomic test as many young bull and heifer calves as we can so that it helps us to create a nice UK base, which in turn will give us a better reliability percentage on our UK figures.

One of the most enjoyable parts of my role has been meeting lots of you at shows across the country and having lots of positive conversations regarding Cattle Services, our fantastic new stand and the type of bulls that we should be proving. I hope that in the coming years the bulls that we test will reflect this and we will be able to build on it and keep growing as the leading supplier of Ayrshire genetics in the UK.

If you are interested in what bulls we have available, please send me an email to sales@cattleservices.org and I will get a list of available sires to you. There are lots of interesting bulls that still have straws available, both old and new. I also value any reports and pictures that you send me - there is nothing better than seeing pictures of Cattle Services sire's daughters at home on the farm. As always if you have any suggestions or views on Cattle Services, please contact me either over the phone or by email.

Celebrating The Life Of

Rosehill Magenta EX 94 9E 100 Tonne, 5 Brood Stars

We are offering you the chance to buy into The Magenta Family – Embryos And Semen Is Available off Magenta's progeny.

Production Awards - LP100

Prefix	Owner/Breeder	Animal's Name	Sire	Class.	Award	Lact.
Bellfield	The Cowhill Trust	Bellfield Myree 87	Covey-Farms Reno		LP 100	9
From the Cowhill Trust, Bellfield Myree 87 gains her LP100 award in her ninth lactation at twelve years old. Sired by Covey-Farms Reno and from the Dewdrop family at Stamford, Myree 87 has produced a very level production with five lactations over 10,000 kgs. Two registered daughters will carry on this family for the Cowhill Trust.						
Brocklehill	J & K Rennie	Brocklehill Quetta	STBVQ Rubens	EX 90	LP 100	9
From the Rennie family at Brocklehill, we have an LP100 award for a cow having completed nine lactations of consistent production in each lactation throughout her lifetime achieving a peak of well over 12,000 kgs. Sired by Rubens and out of a Brocklehill Sensation dam, Quetta originates back to the Pant Penquin family						
Horseclose	J A McGarva	Dunlop's Jinks	STBVQ Darwin	EX 94 (5)	LP 100	10
With 10 completed lactations, Dunlop's Jinks has gained her LP100 award for the McGarva family at Horseclose. Her most profitable year was her ninth lactation when she produced 9847 kgs at 4.69% bf and 3.26% ptn. Jinks has five registered daughters and two sons, and was bred from the Jinks family from Halmyre.						
Park Head	H Tinker & Sons	Park Head Wren Red 2	Baileys Mr Red Heart		LP 100	8
Wren Red 2 has reached the LP100 award in only eight lactations. A cow capable of a huge production where in her seventh lactating year she gave a massive 16,100 kgs in 305 days at 4.34% bf, and has five lactations over 12,000 kgs. She is owned and bred by Kevin Tinkler where she has 91 pt and 88 pt daughters. Wren Red 2 goes back to the Wren family from Bankend.

Club News

Cumberland

The club held its AGM in February, and once again Nick Armstrong was proposed as Club President. Geoff Pettit is our Chairman for the next two years, with Philip Mattinson as his Vice Chairman. Annabell Armstrong and Margaret Mattinson are to carry on their roles as Secretary and Treasurer respectively.

The club would like to congratulate their members - David and Christine Sanderson, Thackthwaite Hall, Wigton for their wonderful achievements at the Royal Highland and The Great Yorkshire Show, securing Breed Champion at both shows with Sanderson George Evergreen 310 EX 92 and Sanderson Break Esther 493 VG 88. Philip and James Mattinson for their success at the Royal Highland with Junior Champion Troutbeck Modern Apricot. The club would like to wish them and other club members success in the remaining shows for 2016.

The club's Herd and Progeny competition will be held through the summer along with the club's Annual Stockjudging.

Finally the club would like to wish a very Happy Diamond Wedding to Joe and Kathleen Armstrong, Plasketlands - long time members of the club and the Society. This was celebrated in July alongside friends and family.

Joe and Kathleen

Derbyshire

Our Annual Dinner and Dance was held in April at The Bentley Brook Hotel, Fenny Bentley, and we were pleased to welcome our 2015 Herds Competition Judge, Martin McHarg and his wife as our guests travelling back to Derbyshire from Ayrshire. Members and friends enjoyed an

Derbyshire Club Prizewinners

excellent meal, and this was followed by a few words from Martin about his experience of judging the competition. Mrs McHarg was kind enough to present the trophies and certificates as listed in the last journal, together with the 2015 stockjudging trophies as follows:

Gents - A Bradley-Seddon , **Ladies** - N Adams, **Juniors** - Andrew Temperton

May was soon upon us as preparations for the Annual AGM and Conference in Derbyshire reached a climax, and all that was left to organise was the weather! When Duncan spoke to us in April 2015 we felt daunted with the prospect of raising the funds required, however, a great team effort managed to pull this off by gaining sponsors and selling raffle tickets to win a calf 'Whitecroft Nellie 60' or £1000 in cash.

The delegates all gathered at the Breadsall Priory Hotel, near Derby on the Sunday and Monday and the formalities began on Monday with the AGM. Robert Adams retired as President of the Society and handed over the honour to Gilmour Lawrie. The delegates were treated to seven excellent herd visits, and we cannot thank our members enough for their hard work and hospitality in this regard. From the comments of our visitors, the quality of the animals on show was the highlight of their trip to Derbyshire.

The evening entertainment comprised a play by Ashbourne YFC on the Monday evening, a comedian and the annual Conference Sale conducted by Mark and Meg Elliott of BAGSHAW'S/Leek Auctions on the Tuesday evening, and finally the banquet meal and dancing to a live band on the Wednesday.

Again our thanks must go to those members who offered lots for the Conference Sale to make it the success it was, and of course to the purchasers too. Also, our thanks go to Linda Batty and Elizabeth Needham for providing a painted tie and some pieces of cross stitch which were sold for charity.

The raffle was drawn on Tuesday evening with the first prize being won by David McCormick of Castle Douglas, who chose to take the cash prize. Our thanks go to everyone who sold and purchased tickets - 376 tickets were sold and the raffle made a total of £2760 after paying the prize money.

As things settled down for our club in June, we were invited to Charnwood Forrest Farm (Sandyford Ayrshires) by kind invitation of the Tomlinson Family for a judging evening to be held jointly with the East Midlands Holstein Club. Four classes of excellent cows were on show

- two classes of Ayrshires and two of Holsteins. The competitions ran separately, but everyone was given the chance to judge all four classes in an effort to win some semen vouchers for the highest score overall – this was won by our club member, Peter Berresford. Our thanks go to the Tomlinson family for their time and effort in preparing these animals, and also for the welcome refreshments enjoyed by all on what turned out to be one of the wettest evenings this year. Steve Hill was the master judge and the results were as follows:

Gents - 1-R Kirk, 2=M Broadley and A Birkle

Ladies - 1-D Steeples, 2-L Window-Walker, 3-A Bradley-Seddon

Juniors - 1-Catherine Jennings, 2-Evie Tomlinson, 3-Chris Jennings

On a Sunday in July, we were invited to Dale Head Farm (Heydale Ayrshires) for a stockjudging by kind invitation of the Berresford Family, and in contrast, it was a beautiful sunny day, but this meant people were making the most of the weather in endeavouring to get their grass harvested! Therefore a smaller turnout of people were treated to two excellent classes of cows, and enjoyed a warm lunch before having the opportunity of walking around the herd. Linda Batty was the master judge and the results were as follows:

Gents - 1-A Bradley-Seddon, 2-C Adams, 3=J Broadley and M Needham

Ladies - 1-A Adams, 2-E Needham

Juniors - 1-Anna Adams, 2-Ellie Adams

Overall Champion Calf - Beltonville Blossom with handler Beckie Palfreyman and judge Sam Wake

Overall Champion Handler - Hannah Slack

The club held their annual calf show at Bakewell Showground on Wednesday 3rd August 2016. The judge was Sam Wake, and the results were as follows:

Supreme Champion Calf (Hackett Trophy) - Beltonville Blossom, Reserve - Heydale Ovoid 361

Junior Champion Calf (BOCM Silcock Trophy) - Heydale Ovoid 375, Reserve - Heydale Souvenir

Best Calf Residing In Derbyshire (Adams Trophy) - Beltonville Blossom

Best Under 5 Handler (Salisbury Cup) - Carmel Gibson

Best Handler Aged 5-12 (Whitcroft Trophy) - Alfie Berresford

Best Handler Aged 13-15 (Nitrovit Trophy) - Beckie Palfreyman

Best Handler Overall (Nat West Trophy) - Hannah Slack

Calf Born After 1st January 2016

1-Heydale Ovoid 375 (Palmyra Tri-Star Burdette) - D W Berresford & Son

2-Heydale Souvenir (Lessard Jumper) - D W Berresford & Son

3-Heydale Ginny 105 (Heydale Model Maker) - D W Berresford & Son

Calf Born Between 1st September 2015 – 31st December 2015

1-Willowfields Conceit 7 (Hilltown Oblique) - L H Batty

1-Heydale Ovoid 361 (Lessard Jumper) - D W Berresford & Son

Handler Aged 12 and Under

1-Alfie Berresford, 2-Carmel Gibson, 3-Andrew Berresford

Handler Aged 13-15 - 1-Beckie Palfreyman

Handler Aged 16 – 30

1-Hannah Slack, 2-Asher Seddon, 3-Catherine Gibson

Devon

The Devon club have been staying active organising future events, and keeping in touch through these busy months of harvest and shows. This year's annual conference in Derbyshire was attended by four Devon club members - Mark Evans, Jim Pearce and Rob and Anita Cornish and all had an amazing time! The highlight of the Conference was the sale - with the chance to choose any animal from the superb Adams' Bigginvale herd. They went to Devon members Richard and Tracey Martin, who duly visited the herd and chose the cow of their choice.

This was swiftly followed by the local show season being kicked off with the Devon County Show, and congratulations to Chris and Connie and the Tri-Star team for taking the breed championship. Also well done to all the other Devon competitors who all did very well.

To get us in the swing of the Judging school at Lyner in July, the club organised a practise day held at the Butterbesley herd of Robert and Anita Cornish, with neighbouring farmer and auctioneer, Mark Davis being our Master Judge. Most had a go, with gentle but expert tuition from Mark!

Honiton Show is a big date in the Devon calendar, and with a super turnout of Ayrshires, the Ayrshire flag was flown high when Chris and Connie from Tri-Star took the interbreed championship with Gargus Jemimia. Not just once as local exhibitor, but again to win overall! Congratulations again to them all.

Kintyre

The 2015 Heifer Competition was held on Wednesday 25th November when the master judge for the day was Mr James Lawrie, Cuthill Towers, Milnathort. Five herds participated in the various competitions and the

judge had no hesitation in awarding a hat-trick of first prizes to M/s M & I Ronald, Ormsary Farm, Southend - no mean achievement! The prizes were awarded at an evening dinner in The Old Clubhouse, Machrihanish, when the full prize list resulted as follows:

Teams (Parkers Cup) - 1-M & I Ronald, Ormsary, 2-J & M Barr, Clochkeil, 3-T M Ralston & Sons, East Drumlemble

Progeny Group (James & Son Quaich) - 1-M & I Ronald (Ardmore Crown Napier), 2-T M Ralston & Sons (Haresfoot Panache), 3-J & M Barr (West Mossgiel Star Attraction)

Individual (Kintyre Farmers Cup) - 1-M & I Ronald, 2-J & M Barr, 3-T M Ralston & Sons

Mother & Daughter Quaich - 1-T Cameron, Gartvaigh, 2-M & I Ronald, 3-J Barbour, Machribeg

Milk Solids John Barr Memorial Tray - 1-T M Ralston & Sons, 2-T M Ralston & Sons, 3-J & M Barr

Club members are now looking forward to the AGM when Mr Robert Adams, Bigginvale will be the guest speaker.

The club held their annual Herds Competition on Friday 15th July 2016, a day of inclement weather, to say the least, but fortunately it didn't deter a good turnout of interested spectators. The far travelled judge for the day was Mr Gordon Taylor, whose prefix Old Mill is based at Upper Braiklay, near Ellon, Aberdeenshire. Accompanied by his wife Alison, together with whom and their family, they look after a herd of 200 dairy cows as well as a substantial beef-fattening enterprise supported by arable crops. Mr Taylor carried out his task very efficiently, resulting in the following placings:

Herds - SAI Cup for best overall herd and George M Reid Cup for best small herd: 1-T Cameron, 2-and **Carrs Cup for best large herd:** J & M Barr, 3-T M Ralston & Sons

Individual Cow (Volac Cup) - 1-T Camerson with a cow by West Mossgiel Athos, 2-J Barbour with a cow by Ace of Hearts, 3-J & M Barr with Calderglen Raffia by Calderglen Lancelot

Lanark & District

On Sunday 17th July 2016 we held our annual calf show which was kindly hosted by the Adamson family, Glentisset Farm, and our judge for the day was Mr Sam Wake from Cattle Services (Ayr) Ltd. Another successful show was held with a good turnout of calves and lots of enthusiastic young leaders. Results are as follows: **Youngest Girl** - Alice Taylor, age 8, **Youngest Boy** - James Taylor, age 6

Champion Handler - David Lawrie

Res. Champion handler - Cameron Banks

Junior Presentation / Handling - 1-Jay Adamson, 2-Ben Graham, 3-Lucy Graham

Intermediate Presentation / Handling - 1-Cameron Banks, 2-Sophie McCarty, 3-Fraser Banks

Senior Presentation / Handling - 1-David Lawrie, 2-James Millar, 3-Kate Donald

Right to left: Champion Calf - Cuthill Towers Predator Nancy

Res. Champion - Swaites Nonny 9

H. Mention - Cuthill Towers Magenta

Red & White Inspection - 1-Swaites Nice Girl (Homeland Saturn Red) - J Adamson & Son, 2-Craigends Henna (Muirston Top Brass) - J & J Miller

Senior Inspection - 1-Cuthill Towers Gibbs Bramble (Palmyra Reality Gibbs) - A & S Lawrie, 2-Swaites Beauty (Libbys Lochnivar) - J Adamson & Son, 3-Craigends Snowflake (Craigends Sam) - J & J Miller

Points Trophy for overall points at the calf show - A & S Lawrie

North West

Our annual dinner and presentation evening was held on the 22nd March at the Crofters Hotel, Garstang, when our guests for the evening were Michael Broadley and Diane and Edward and Margaret Evans. We would like to thank Michael for giving up his time to come and have two days in Lancashire going around our herds. Many thanks must also go to two of our members who gave their time - John Barton and David Jones for taking Michael from farm to farm and to Richard Moore for the accommodation. Members and friends had an excellent meal, and afterwards Diane presented the trophies. Results are as follows:

Junior Stockjudging - 1-J Gregson, 2-L Partington, 3-L Partington

Under 26 Stockjudging - 1-A Rimmer

Ladies Stockjudging - 1-J Patrick, 2-B Cranshaw, 3-J Jones

Gents Stockjudging - 1-W Bruce, 2-M Wall, 3-J Seedall

Champion Heifer (Inspection Only) - Howarth Cup - 1-Holmeswood Ella - A Rimmer, 2-Garrett Hall Petunia 5 - I Patrick, 3- Sandybank Saltire Prudence - B Cranshaw

Champion Cow (Inspection Only) - Bibby Cup - 1-Haresfoot Napier Bella - A Rimmer, 2-Saltcotes Irene 12 - D Morris, 3-Jamara Jet Red Jessie - J E & S M Seedall

All Animals (Inspection Only) - Earl Peel Cup - 1-I Patrick, 2-H & J E Watson, 3-J E & S M Seedall

Cow Family Group (Inspection Only) - Croston Cup - 1-Julie - I Patrick, 2-Future - H & J E Watson, 3-Orange Blossom - M/s Thornber

Three Daughters By One Bull (Inspection Only) - 1-Barr Envoy - R Moore, 2-Ardrossan E V Kate's Trident - I Patrick, 3-Ardmore Crown Napier - J E & S M Seedall

Three By One Bull (Production Inspection) - Lever Shield - 1-H & J E Watson, 2-M/s Thornber

Highest Yielding Heifer - Bibby Agriculture - 1-Sandybank Moonbeam - B Cranshaw, 2-J Classic Janetta - J E & S M Seedall, 3-Saltcotes Sarah 19 - D Morris

Highest Yielding Cow (F/P) - Red Rose Award - 1-Hulton Park Prudence - B Cranshaw, 2-J Rampage Margaret - J E & S M Seedall, 3-Garrett Hall Priscilla 273 - I Patrick

Performance Competition (PPL) - Watkins Cup - 1-Garrett Hall Julie 62 - I Patrick, 2-Newclose Linda 34 - H & J E Watson, 3-J Trust Margaret - J E & S M Seedall

Lowest Cell Count - Tom Dickinson - 1-R Moore, 2-B Cranshaw, 3-J E & S M Seedall

Production Inspection - BOCM Cup - 1-J E & S M Seedall, 2-I Patrick, 3-H & J E Watson

On 30th May we held our calf show which we hold at Great Harwood Show. The judge for this event was Roger Lindsay, Lanark, and we would like to thank him for coming and also to our sponsors Derek Fox Towers and Gornall and Shepherds. Champion calf was Cherry Tree Orange Blossom 25 (Hitcham Masterprint) which was bought at the Thornber's dispersal sale by Marshall Barnett. Reserve calf came from James Seedall Mellor. We had twenty one calves, and many thanks must go to the young breeders for supporting the show and also to Jimmy Fitton and Martin Wall for organising the classes. Sadly one of our members - Peter Sedgwick suddenly passed away unexpectedly while working on his farm. Our deepest condolences go to Joan and family. A few members from the club went to the Slater Cup which was at Steve Outrams and our North West team came first - Bobby Cranshaw, Bill Bruce and Martin Wall.

Ulster

Summer has not really lived up to my hopes and expectations weatherwise, but there is still time!

At the beginning of April we had our AGM at Greenmount College, and were delighted to welcome Sam Wake to talk to us and oversee our elections. Peter Drummond vacated his post as Chairman after the statutory two years and James Brown succeeded him. The rest of the Committee are as follows: Vice Chairman - S Baxter; Treasurer - J Suffern; Secretary - J McConnell. Young Breeders Committee - R McConnell, J McLean, S Wadsworth and M McLean. Committee - R Dick, P Drummond, R Emerson, C Fullerton, J Hunter, R Irwin, P Kelly, B King, M King, A McCaw, R Stewart and T Gordon. We look forward to resuming our Club meetings in September.

In May we had our largest Agricultural Show - The Royal Ulster Agricultural Show at Balmoral Park. Again the show was blessed with three days of good weather and a great attendance. There was a super show of Ayrshire cattle on display, and these were judged by Matt Service from Stranraer. His champion was the super Marleycote Sea Lily 14 shown by the M/s Cromie & McLean, Bushmills, and the Reserve was Christian Keenan from Monaghan with Cuthill Towers Pam 30. A mention must go to the McLean Family who had entries in all the dairy classes, and were in the ribbons with all breeds, and were Reserve Champion Dairy Shorthorn. This was some achievement and made for a very busy week!!

Another mention must go to young Katie Gordon who enjoyed winning her first red rosette at the show with her maiden heifer - Grove Sailorgirl 3. I don't know who was more excited, Katie or her proud Dad Thomas!

Our next big event in the calendar is our Annual herds competition, which this year is being judged by John Cochrane, and we are looking forward to welcoming him. The stockjudging and results evening is being held at Ravenhill Farm by kind invitation of John and Caroline Suffern. An evening to look forward to!

Balmoral Show 2016 - a brace of Hunters - winners of the pairs class!

Below : Dam - Brieryside Snowdrop 5 EX 93

● (05/10) 9,308 Kgs, 4.51% Bf, 3.64% P, 305 Days

● (03/05) 10,325 Kgs, 4.22% Bf, 3.57% P, 305 Days

Bred from seven generations of VG or EX cows from the superb Swan Family at Brieryside, over 49% of the herd goes back to Brieryside Swan 28 who is the fourth dam of Snowman. Swan 28 enjoyed considerable success in the showing, winning numerous championships and never being placed below second. The four nearest dams to Snowman average 4.32% fat and 3.4% protein.
