Foreword

Introduction

The Isle of Bute has a rich agricultural history with deep rooted family traditions with families farming the same farms for many years. However the McAlister family must be one of the longest serving custodians of this fruitful corner of God's creation with records showing them as land holders as far back as 1506. They farmed at Mid Ascog and were also at Meikle Kilmory before moving to Bruchag Farm in 1944.

Records show the McAlister family have winning National Ayrshire Shows for the past three centuries a special achievement and something I personally would like to applaud. They first won the Supreme Champion title at the Royal Highland Show back in 1898 it would however take many a page if we were to mention all past achievements but it worth noting just a few. In 1949 the speckled Black Pansy cow travelled from the Isle of Bute with the then Ian McAlister, 350 miles to win Supreme Champion at the Royal Agriculture Show then held in Shrewsbury. Another successful show cow was Moss Ross 10th winning Ayr Show four years in a row from 1934-1937 and was Reserve Champion at the Royal Highland twice, a number of members of the Moss Rose cow family sell in the sale. Also Meikle Kilmory Rosary won the Highland Show a number of times

Recently the hot young cow to come from this famous herd is Bruchag Talent Evelyn who won the Super Heifer title at Agriscot in 2015 and went on to win again in 2016 as a Junior Cow in milk. Evelyn won the All Britain title as well in both 2015 and 2016! This amazing young cow has two sisters selling in the sale lot 175 & lot 211!

That's a little bit of history but far more important is the future and I believe that the animals selling in this sale can shape the future of modern Ayrshire breed. Cows that give large volumes of high quality milk as efficiently as possible from every blade of grass they graze; is something all milk producers strive for. Along with their highly valued production traits is their excellent confirmation, although not classified many cows have the potential to be high scoring Excellent and Very Good cows. Throughout all the age groups are individuals that can be successful in the show ring!

Herd Profile

This complete dispersal sale has a total of **128** pedigree Ayrshire selling, comprising 67 cows and heifers in milk or dry. There are **20** heifers in milk, **15** cows in their second, **14** cows in their third, **9** fourth calvers andb having had five or more calves. **24 are freshly calved since January 2016** with **12** freshly calved in April. There are **26 summer calvers** in this sale with 15 due in June, 2 due in July, 4 due in August and 5 due in September. As an addition to the 26 summer calving cows there are 14 in-calf heifers due shortly as well. The young stock comprise of 12 strong bulling heifers and 35 heifer calves from twelve months and younger.

Production and Management

The herd is currently averaging **6800kg 4.04% butterfat 3.23% protein** on twice a day milking with an average cell count of 139 from milk sold. The herd had been officially milk recorded up until 2016 but was stopped due to the downturn during this period. The herd is grazed from May until October and the winter ration is grass silage with cake fed at milking. Dry cows are dried of using Ceparvin and Orbeseal. The milking herd and young stock are cubical housed.

Genetics

As mentioned in the introduction this fine herd has a long and illustrious history within Pedigree Ayrshire circles with many of the cow families in this catalogue tracing back to cattle that have won shows in the last three centuries. The top cow families are the **Marjorie, Evelyn, Melody, Julia, Madge, Caroline, Moss Rose and Bloomer**. The mature milking cows are sired by **Haresfoot Elegant, West Mossgiel Class Talent, Ardmore Crown Napier, Bankend Bomber, Stamford Triple Threat and Bankend Sailor**. The milking heifers are crackers and are sired by **West Spittal Regiment Red, Bruchag Memorial, Haresfoot Simply Perfek, Palmyra Tri-Star Burdette and Holmland Saturn Red**.

The two current herd sires display wonderful modern Ayrshire traits. **Bruchag Memorial** sires some of the milking heifers and a number of the youngstock. He is a Hunnington Mandella son from Bruchag Madge 3 a cow that gave over 60 ton of milk in her lifetime with lactations over 9000kgs at 4.5% butterfat 3.5% protein. This powerful framed cow by Sand Ranger was Champion at Rothesay Show in 2010.

The other is **Bruchag Starman** sire of a lot of the younger heifers and has been used extensively as a service sire on the milking cows. He is a son of Hunnington Mandella from the two time Grand Champion Bruchag JR Marjorie a special cow with an incredible will to milk. The Starman daughters really impress.

Herd Health

The herd is officially BVD tested clear and TB free. The Isle of Bute has a long history of having an excellent health status in its cattle herds.

Young-Stock

There are a number of special heifers selling in this select group and is impossible to mention them all but a few deserve highlighting. Lot 229 Bruchag McCoy Marjorie a daughter of Rosehill Real McCoy from the successful show cow JR Marjorie. This heifer is sister to the current herd sire Bruchag Starman and displays enormous potential.

Lot 185a Bruchag Starman Jewel Queen is a November born daughter of Bruchag Talent Jewel Queen the cow that stood second to Bruchag Talent Evelyn in the 2015 heifer class at Rothesay show and now looks like a big time winner. This calf is built perfect and flirts with perfection.

Lot 170a Bruchag Starman Miss Ella is a November born daughter of a herd favourite by Ardmore Crown Napier. The dam if this ultra stylish calf will make a high scoring Excellent cow when classified and has the cut to be a player at the National Calf Show.
