## Foreword

The Stevenson family have farmed Changue since 1867 and the first registrations with the Ayrshire Cattle Society were made in 1906 by David Stevenson ,grandfather of the present owner. The Changue herd is thought to be the oldest UK Ayrshire herd in continuous registration under the same prefix, on the same holding by one family. Milk recording began in 1910.

This is the second largest ever single offering of Ayrshire genetics from the herd and a remarkable proportion of the catalogue descend from only two cows.

All the C`s without exception ( Celandines, Columbines, Crocuses , Coras, Cornflowers, Charlottes, Choices, Claudettes and Carries ) trace directly to one of the first 1906 registrations Changue Jess ( born Feb 1900- and described as “white” , out of “ Old Jess“). Also descending from Jess by a different route are the Petulas,Pamelas and Prides. The “C” family has long dominated at Changue, and has provided numerous stock bulls ,such as Changue Valiant , the Jacob Murray progeny team winner and Al sire, in the 1960s .Then there was Changue Keynote who missed being exported to New Zealand in 1967 due to FMD but instead bred well at home in the 1970s. . The female line has extended to 6 consecutive generations of 100,000 lb and 50,000 kg cows as well as having 6 generations all alive at one time. Of course more recently the Celandines provided the breed with First Lord, and then his brother Changue Tryst who rose to the number one PLI spot in the breed for UK bred , Al proven, pure Ayrshire bulls from 2005 to 2009.Tryst`s second crop daughters have returned him to the top in 2010, and his semen has been exported worldwide by Cattle Services(Ayr) Ltd. Astonishingly , looking at UK bred bulls with at least 75% Ayrshire genetics ,the last proof run ( April 2010) saw ALL FOUR top places filled by bulls from the “C” family - namely Fiord , Tryst , Back Up and First Lord.

The second most influential foundation cow is Changue Milkmaid born 1931 and one of the highest yielding Ayrshires in Scotland in 1936/37 ( 6059 kg @ 3.68%BF). The Melanies, Mary Roses,Mirths , Memorys, Marinas and Marthas are bred from her and indeed the two strongest branches of this family today ,stem from the half sisters, Milkmaid 17th and Milkmaid 18th. From the former was born Changue Mary Rose 3rd EX 50,000kg , the Reserve Champion at the first two Scottish Winter Fairs in 1979 and 1980 and lines of excellent type cows have followed from her. The latter Milkmaid, left Changue Melanie 3rd EX Elite , an 88 tonne lifetime producer. The cover girl descends from this cow family Changue Martha 49 EX95 who was Grand Champion at both UK Dairy Expo and the Royal Highland Show bought by M Bryson in a private sale.

Other families in the herd trace beyond 1900 such as Polly/Penelope via Lessnessock from Low Milton Penelope (second top price cow, at the record breaking Low Milton dispersal in 1944) and Stylish/Stately Lass again from Low Milton Stately Maid . Of course the Wrens derive via Bankend from Low Milton Whim , bought as a calf at foot of her dam at the 1944 sale.The “W” line at Bankend excelled , having produced bulls such as Parade , Legacy, Quartz and Lord Ontario.

The Changuefarm Holstein section of the herd "only" dates from 1979 but is now centred on the Lolos. CF Blackstar Lola EX 90(2) winged her way from the USA as an embryo, became a 16 star brood cow, and now forms part of line ups of 9 generations VG or EX. What lifted her into a more special category was the later discovery that she brought with her, the red gene, from her EX92 Triple Threat dam). Most but not all the families are from the USA, such as Painted Lady (Tikvah Tainted Lady- and a RED one sells), Wilsendale Taryn ( Burlane Tennyson family), Cherry ( Mr. Burns family), Raymau Gypsy and not forgetting the Ivys ( via Wicketthorn). Garrallan was the prefix of the British Friesian section of the herd up to 2007, in which the Nans ( Craigbet Nancy),,Poppys ( Pennine), Janets ( Smellows) and Snowboots ( Vallumfarm ) predominate.

Changue lies between 500 and 750 feet, on heavy land in a wet district and the cattle seem to benefit from a move! .A reduction sale of the Holstein section of the herd was held in 2002 and at least 5 of the cows sold that day, went on to classify EX. At the Black and White Sale 1996 Changue Farm Prelude Lola 3rd ET was sold at Carlisle and went on to be EX 94(8). Eight times Ex! CF Blackstar Lola`s red son CF Redbook has bred very well at Changue, and has a daughter and grand-daughter in the sale. A privately sold daughter, in Mr John Watson`s herd - Changue Gracious 52nd won Champion Ayrshire, Ochiltree Show 2010, and just recently placed best individual in Wigtownshire Herds Competition ( Ayrshires). A number of animals have been sold privately and have done well for breeders. Changuefarm Storm Ivy was classified EX95(3) for Mr M Bryson and was Champion at New Cumnock, Newmilns and Craigie Shows in 2009. She has yielded an impressive 65,608 kg in just 5 lactations to date. A Changue Tryst daughter, Changue Melanie 165th was sold to Mr G Templeton of the Knowe herd and won the senior heifer class at the West of Scotland Show, October 2009.

**HEALTH AND SAFETY RULES  
HARRISON & HETHERINGTON LIMITED  
NOTICE TO ALL VISITORS AND TRADERS  
PLEASE READ AND OBSERVE  
THE FOLLOWING**

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

**AUCTIONEER'S TERMS & CONDITIONS OF SALE**

(Incorporating the Auctioneer's  
Terms and Conditions )

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available.
