### ENTRIES

#### 1. CLOSING DATE FOR ALL LIVESTOCK ENTRIES - Sunday 29th May 2022

#### 2. ENTRY FEES

All classes will be charged the following entry fees except where listed:

Members: £10.00

Non-members: £20.00

Pairs and Group classes - one entry fee per pair or group of animals.

#### 3. SUBSTITUTION

**Only two substitutions per exhibitor will be allowed on entry to the Showground.**

Substitution of animals in the cattle section will be allowed after the closing date provided the animal substituted is in the same class as the original entry. Substitutions should be made in writing to the Show Office to Sally Higgins, [sally@kentshowground.co.uk](mailto:sally@kentshowground.co.uk). If the entry is to be substituted on arrival at the Showground, the appropriate form should be downloaded from the website and handed to the officer at bio-security.

#### 4. REGISTRATION IN HERD BOOK

All cattle (except commercial cattle) must be named and the number given if entered in the Herd Book.

Every animal entered for competition shall be entered or accepted for entry in the Herd Book proper of its breed unless otherwise stated. Where an animal is entered by the exhibitor as accepted for entry in the Herd Book proper of its breed, proof of such acceptance shall be furnished to the Society at the time of entry.

### VETERINARY

#### 5. BRUCELLOSIS ERADICATION

Cattle which calve or show evidence of calving whilst at the Kent County Show must be placed in the approved isolation immediately pending their possible early removal from the Showground.

Where an animal calves prematurely or aborts, the Society's Veterinary Offices must be informed immediately. The animal must be placed in the approved isolation accommodation pending sampling by a DEFRA authorised Veterinary Surgeon. If the animal calves or aborts before it can be isolated, full precautions must be taken to isolate and disinfect any possible contaminated standings, bedding, utensils, clothing and vehicles. The animal cannot take part in the Show and once fit to travel can be returned home. The suspect animal must be isolated during transit.

Dams may suckle their own calves. All other calves must be fed reconstituted dried milk.

#### 6. MEDICATION

Participants shall not deliver any medication, preparation or substance to their animals, by any method whilst on site, except that administered by the Show veterinarian. The only exception being that participants can deliver medication which has been disclosed at Bio-Security, upon entry to the Showground, so that the duty vet is aware of the substance and why it is being used.

#### 7. CATTLE HEALTH SCHEME

There will be no separate accommodation provided for cattle health scheme animals at the Show. Exhibitors wishing to exhibit health scheme cattle must undergo the appropriate tests to regain their scheme status on their return home.

#### **8. BOVINE VIRAL DIARRHOEA (BVD)**

It is advisable to vaccinate all cattle coming to the Show against Bovine Viral Diarrhoea.

#### **9. TB TESTING**

Exhibitors travelling from a high-risk TB area will require a pre-movement TB test certificate valid for 60 days to be presented on arrival at the Show or submitted in advance. A pre-movement TB certificate must be valid until Monday 11 July to exhibit at the Kent County Show. For further information on pre and post movement testing, please see the DEFRA website: [www.defra.gov.uk](http://www.defra.gov.uk). The Kent Showground is located in a low risk area (LRA) and post movement testing therefore does not apply.

#### **10. EXHIBITS FROM ATTESTED HERDS**

At the date of entry, cattle must be from herds which are free from movement restrictions imposed under the Tuberculosis (Area Eradication Order, 1950, as amended). An animal accepted for entry cannot be exhibited, if after entry, the herd to which it belongs is subject to such restriction.

Zwartbles, Charollais & Hampshire Down Year start 1 December

#### 5. COLOURING OF SHEEP

### VETERINARY

#### 6. SCRAPIE

No sheep are to attend the Show in lamb. Ewes which have lambed in the previous 30 days, in lamb ewes and ewes that are subject to procedures which change the seasonal breeding pattern may not be exhibited at the Show. All exhibitors of sheep will be required to sign a declaration to this effect at entry stage.

All sheep exhibitors will be required to complete and sign the 'Declaration Regarding Scrapie' on the livestock entry form (without which entries will not be accepted) or tick the box for online entries as declaration.

#### 7. SHEEP SCAB

rule.

Any sheep which does not comply with the aforementioned regulations will not be eligible to be judged in its class. ## **PREMIUM SHEEP HEALTH SCHEME**

### **9. PREMIUM SHEEP HEALTH SCHEMES - ENTRY INFORMATION**

The Society will accept entries from exhibitors with non-accredited sheep and Maedi Visna accredited sheep as detailed under each breed.

Each exhibitor with MV accredited sheep must send a blank photocopy of the SAC Health Status Report (showing the expiry date) valid at the date of the Show, with the completed entry forms before the closing date. A completed and signed SAC Health Status Report for the date of the event must accompany the sheep to the Show.

The flock scheme status must be shown on the entry form. Entries for MV accredited and non-accredited sheep must be completed on separate entry forms. If no current SAC Health Status Report is provided at the Show, no unloading in the Maedi Visna accredited area will be allowed.

### **10. PREMIUM SHEEP HEALTH SCHEMES - HOUSING**

The areas of the Showground, where MV accredited sheep will be housed, judged and any routes of movement, into, out of or within the Showground will be cleared of non-accredited stock more than seven days prior to the date stock enters the Showground for the Show. MV accredited sheep will not be permitted to use any ground or routes that have been used by non-accredited sheep during this minimum time limit.

Separate accommodation will be provided for MV accredited sheep and non-accredited sheep. In the sheep area, there will be separate clearly marked walkways for MV accredited and non-accredited sheep and judging rings will be divided into MV accredited and non-accredited areas. There will also be separate loading/unloading points for MV accredited and non-accredited sheep.

### **11. PREMIUM SHEEP HEALTH SCHEMES - JUDGING**

If MV accredited and non-accredited sheep are to be judged in the same ring the following conditions will apply.

- All sheep must be halter or collar led.
- The judging ring will be divided by two lines of barriers with a 2m gap between to prevent contact between different categories at all times.
- Non-accredited sheep will enter and exit the judging ring at a different point to MV accredited sheep.
- Any examination such as mouthing should be performed by the handler and not the judge. If it is performed by the judge, the judge must wash his/her hands before moving to the next animal.

It is essential that sheep exhibitors follow all written and verbal instructions.

### **12. PREMIUM SHEEP HEALTH SCHEMES - EXHIBITORS RESPONSIBILITIES**

Sheep exhibitors are responsible for the following:

- The prevention of any contact with sheep (or goats) of a different category at all times. If no contact has been made, sheep may return home without any isolation.
- If contact has been made, then sheep will lose their MV Accredited status and must be placed in isolation on return and undergo appropriate blood tests to regain their scheme status. Please contact SAC for advice.
- Whilst the Society will take all necessary precautions to protect the status of MV accredited sheep, it will not hold itself responsible for any accidental contacts made which may affect the status of an exhibitor's flock.

## **KENT YOUNG FARMERS' CLUBS JUDGING COMPETITIONS**

(Under the auspices of the Kent County Federation of Young Farmers' Clubs)

***The Society would like to thank Irvin Confectionary and Canterbury Farmers Club Bicentenary Fund, in association with Coleman Charity for kindly sponsoring this section.***

The Kent Federation of Young Farmers' Clubs is celebrating its 73<sup>rd</sup> anniversary this year and continues to grow as a popular young persons' organisation. They have been successfully showing at the Kent County Show for over 50 years. Members from ages 10 to 26 years old come from Kent's 6 School and 11 Open Young Farmers' Clubs, with three of these clubs opening within the past few years, to compete and represent not only their Clubs but themselves.

Year on year there is an exceptionally high level of passion and skill demonstrated by all members as they showcase their animals and handling capabilities. There are a broad range of classes including conformation, knowledge and handling of cattle, sheep, pigs as well as small pets. There are also a number of photo and display competitions. Within recent years the young farmers have been invited to compete alongside the mainline cattle and sheep young handlers' classes, in which they are eligible to qualify for an area final, which could then follow through to a national championship - so look out for us, not only in our YFC area of the show.

YFC is, and will continue to be, an organisation to which members are proud to belong. It aims to be a safe environment in which members can have fun, make friends, learn and achieve. The organisation will continue to be member led and will aim to deliver excellent services for all young people with an interest in the countryside; wherever they live and whatever their background. The clubs and County Federation deliver services, experiences and opportunities that are supported by a regional structure, with strategic direction and assistance from the National organisation. Over the next year we will be reviewing our county programmes to cater for the increases in membership and the general trend of growth in younger membership.

The Kent Young Farmers' area at the show, is entirely organised, planned and structured by our members, which is a fantastic credit to the county. Endless days of hard work, both managing the show, and preparing livestock throughout the year, are put into this weekend - the time dedicated to this show by our members, leaders, teachers and parents is outstanding.

Do spare some time in your day at The Kent County Show to come and visit us, whether you watch some classes whilst eating your lunch, or enquire at our Marketing & Publicity marquee about joining the organisation yourself, this YFC area is a true credit to the show, and you'll struggle to find one as impressive as ours elsewhere!

We continue with developing the Kent YFC website [www.kentyfc.co.uk](http://www.kentyfc.co.uk) which is a wonderful marketing tool and great for advertising what is happening in the county. Here you can also find your Young Farmers' Clubs local to your area.

For more information about the National Federation of Young Farmers' Clubs [www.nfyfc.org.uk](http://www.nfyfc.org.uk). With over 24,500 members and 619 clubs, the federation is one of the largest rural youth organisations in the UK, they have been around for more than 80 years. Alongside our County, The National Federation heads up these clubs providing the framework for a whole host of exciting events, competitions and new experiences. With YFC led by young people, for young people, Young Farmers' Clubs provide anyone aged 10 to 26 with a fantastic chance to meet lifelong friends, learn new skills, make a real difference to the local community and even travel the world!
