FOREWORD

With great pleasure I present the Middle online timed auction; the property of J Whiteford and Son of Middle Farm, Ruleholme, Brampton, Cumbria. This is one of the most exciting, unique sales to take place for a good many years!

The Whiteford family have been milking cows at Middle Farm since 1947. I am delighted to report that the selection, for this, their sixth reduction sale, is the best yet. The cows are looking truly outstanding! Recent classification includes 22 Excellent, 75 Very Good and the remaining sale animals Good Plus. Which I am sure you would agree represents impressive consistency of this herd.

I have had the pleasure of being involved with the Whiteford family over many years and have seen these cattle deliver on so many levels in any home they travel too. Almost a decade since the last Middle sale, which just left 42 milking cows and heifers on the farm, numbers have grown substantially to over 600 milking cows and heifers now at the farm, the place is bursting at the seams! There is just no room to house all of these cattle over the winter, so a major reduction of 400 milking cows and heifers is being offered with all of the best animals to be included in the sale. What is impressive is that these cows are looking as good as I have ever seen them, typical of what you would expect to see at Middle, medium sized balanced cows, with fantastic feet and legs and just simply awesome udders! The Middle beauties are bred for longevity and to be trouble free, easy care cows.

The Middle herd has been carefully crafted by the Whiteford family including brothers Willie and John and his son Stephen who are true masters of breeding cattle at Middle Farm. They blend great Ayrshire sires; together with stock bulls bred from some of the best female lines; such as the Emerald, Mitzy, Oranje, Jessie, Crummies and Jean; resulting in Middle Ayrshires and Middle Blended cattle. Many of these prevalent female lines are available in the sale and are sure to be a welcome addition to any breeder's herd. The very best Red & White Holstein sires have been used to perfect this blend; and combined with solid cow families this has led to wonderful balanced cows. If you are a passionate Ayrshire breeder or a commercial milk producer who loves good cows these girls certainly tick all of the boxes!

The herd is on wonderful form today, they are incredibly uniform in so many ways and they will suit many different farming practises. The herd looks tremendous and this is perhaps the best selection of cattle that has ever been offered for sale by the Whiteford family. If you just want a couple of beautiful individuals, or indeed a group of animals there is certainly a Middle beauty or two for you!

The milk production is currently very favourable indeed, the fat and protein is superb, and the herd is currently averaging just a shade short of 8,000kg 4.99% Fat & 3.66%. CC 166.

The management at Middle Farm is strictly commercial in approach, the cows all run as one group, are milked twice daily through a rapid exit, 26-a-side Dairy Master herringbone parlour and during the winter months they are housed in cubicles. The herd is fed at the barrier, receiving a semi TMR ration, and follows an all year round calving pattern.

The herd is vaccinated for BVD, Lepto and IBR; they have never had a TB reactor on the farm and they will be pre movement tested prior to the sale. The herd is Johnes's monitored. The cattle are eligible for BVD tag and testing.

Further to this magnificent herd of cows, the young stock are well grown, show much promise and will certainly be a wonderful addition to anyone's herd. I cannot recommend this awesome herd enough. I encourage anyone who is in search of great cattle to come to Middle Farm on Wednesday 23rd and Thursday 24th September to view all of the animals offered for sale and then the auction opens Friday 25th.

The HB team will be on hand to discuss the sale format if this is your first time online. There will be lots of time to have a chat.

We can't wait to welcome you to Middle Farm, where you will be greeted by the wonderful Whiteford hospitality and you will be able to select yourself one or perhaps several Middle Beauty's!

Stuart Hassall

ONLINE TIMED AUCTION

The process explained. Due to the challenging situation that we find ourselves in currently we are using an ONLINE TIMED auction to sell from the herd as planned on Friday 25th September with the auction closing on Sunday 27th September at 9:00pm.

To comply with COVID-19 social distancing it will be possible to view the herd on Wednesday 23rd and Thursday 24th September. Please ensure you register your contact details when you attend in case of the need for future tracing purposes – it is our responsibility to minimise the risk to ourselves and others during this time, also we request you adhere to government guidelines and advise on social distancing measures, and request you use the hand sanitation provided on arriving at the farm, face masks should be worn in any enclosed spaces – we appreciate your support of these precautions.

Animals have been grouped in lots of approximately ten in a lot of matching credentials (such as calving pattern etc) these animals will be clearly marked when attending the viewing so purchasers can see what they are bidding for, the catalogue is lotted the same way to avoid confusion. We stress that you ensure you are happy with the lots that you bidding for. If you win the auction all animals in that group become yours.

As soon as the link is available, you will be able to access this through the Hassall Brothers website, through the Ayrshire Cattle Society website and also the social media platforms.

You will need to register to bid The online auction will allow the purchaser to place a bid on the platform as at the auction this will automatically go through the increments to your maximum bid if another party bids against you, this will be clear to see on the screen. If this is something new to you and you do not feel comfortable, please call us and we can assist you in many different ways. If you are successful in your bids, you will be able to arrange collection of your stock, after full payment has been made.

Please note all the usual guarantees apply and the animals being pedigree are sold in guineas. This is a very clear and transparent way to bid and we are very excited about the concept, allowing purchasers the opportunity to secure dairy stock during these difficult times, as we appreciate that you still need dairy cows to produce milk for the nation.

Note: Yields are as of last recording with CIS on the 06/08/20
