FOREWORD

Hassall Brothers and Halls are delighted to have instructions from Phil & Thelma Jeffries of Berriew, Welshpool, to Conduct one of the most important entire Ayrshire dispersal sales which has taken place in some time.

Tuesday 29th October will offer the entire Penrhallt herd of pedigree Ayrshire's, at Shrewsbury Auction centre for sale convenience, the herd is classified, CIS Milk recorded, these cows are superb and during my career I have watched as Philip & Thelma have made many astute purchases to form and develop their much treasured herd.

They have identified great cow families, taken them home and worked with them using careful selection of modern sires and also some classic sires. They have never been afraid of using an older bull that is reliable and is going to create a next generation beauty, they certainly have a skill for this and you will undoubtedly see this when you inspect the herd!

The important factor is that over 80% of the herd is pure Ayrshire bred which is very rare to see and also adds a huge appeal to many. There are also 3 Super Guernsey's for sale on the day.

It is with a heavy heart that they have decided to sell, they both know the herd is on great form and the time is right to move on to their next chapter.

When you look around the herd I'm sure you will be very impressed with the quality and uniformity of this herd! Longevity goes without saying, with many multiple EX cows in the mature cow section, indeed you would not age them at all! The cows have strength, are medium sized cows, fantastic legs and feet and well attached superior udders.

The classifications are impressive featuring, 17 EX & 25 VG Cows with many more GP heifers which are going to make great cows in the future as they proceed through their life.

There are many great cow families, which many are household names such as, Ella, Spottie, Kanvas, the list is endless.

These families have been developed and have some outstanding descendants in the sale!

The herd has competed many times in the herds competitions and wow they have always done well including:

Montgomeryshire Dairy Herds Competition (Production Inspection, All Breeds)

2010 Champion herd

2011 Champion herd

2012 Winner small herd

2019 Winner

There is no doubt there are many great individuals which would command great attention in the show ring, with just Phil & Thelma working on the farm time has always been short to get to the show ring, which certainly they would of loved to, as they have many cows they would love to see out.

The passion for breeding great cows has been done in a very strict commercial environment, the cows have had to be able to utilise forage, they have been on a very simple system, grass silage, concentrates in the herringbone parlour where they are milked twice daily according to yield; During the winter months the cows are housed in cubicles, the cows graze for as long as possible during the summer months.

The herd follows an all year round calving pattern with a nice portion of fresh cows at the Sale time, The calving index is 389 days. The herd is currently averaging 7428kg, 4.55% Fat, 3.34% Protein with a rolling cell count of 125

The youngstock are all well grown and have been reared with the same super attention to detail as the milking herd, there is no doubt that there are some superb individuals within each group with show potential, the whole though are very consistent and will be a great addition to anyone's herd, commercial or pedigree.

Vaccinations

The herd has been vaccinated for BVD.

The herd has passed its required TB Pre movement test.

In summery Ladies and Gentleman this is an outstanding herd of cows of the Ayrshire breed and over the years I have been privileged to sell many great Ayrshire herds and this is whole heartily up there with the very best!

I certainly highly recommend the whole and every effort should be made to be at the Penrallt dispersal sale on Tuesday 29th September, Philip & Thelma are very honest and genuine people who have certainly loved their cattle and want the animals to do well in their new homes and be further developed!

Wishing everyone the best of luck with any successful purchases and we look forward to seeing you at Shrewsbury Livestock Market on this very important day!

Stuart Hassall

MR JEFFRIES FOREWORD

On 29th May 1992 on my 33rd birthday Thelma and I were granted the tenancy on Penrhallt, a 55 acre council holding enabling us to achieve our long held ambition to farm on our own account. Due to our financial position we purchased cows to a price i.e. if they could walk they were good enough. As we became more established we started to buy some pedigree Ayrshires, a breed I have had a lifelong interest in since going to Monty Stallards Hartley herd every weekend and school holidays from the age of 10.

Unfortunately this first herd was lost in the 2001 Foot and Mouth outbreak. We decided to restock with all pedigree Ayrshires later that year with 3 main consignments from John Woolleys Earlsway herd and the Stretton and Stamford herds. This gave us a good foundation and since then we have bought in family lines as they have become available e.g. Punch, Ella, Wren and Spotties. In 2005 we were given the tenancy on Lower Brithdir, a 140 acre holding 1 mile down the road, which allowed us to expand our numbers.

Families that have done well for us from the foundation stock are Kanvas and Marinas from Stamford, Helens. Primroses and Brambleleafs from Stretton and Enas and Whiskys from Earlsway.

Our breeding goals have been to keep the traditional deep bodied, good udders and feet of the Ayrshire in a modern cow. We therefore cross back and forth through the generations using older bulls such as Townhead Dahlias Juror and Mawdsley Bright Beam as well as some of the latest bulls such as Lyner Obliques Focus. Ravenhill Victory and Cuthill Towers Buster.

The decision to sell has been a hard one, but after nearly 28 years of 60 hour weeks on a small scale dairy farm we have decided to call it a day. In our opinion the cows look really well this year, there are plenty of fresh and close calving cows and they are milking very well.

We hope that buyers of our stock are pleased with them, and enjoy them as much as we have over the years.

Phil and Thelma
