Signed: \_\_\_\_\_ Name: \_\_\_\_\_ Date: \_\_\_\_\_

**All exhibitors are required to supply a copy of their TB Certificate/s and BVD Results to the Show Office PRIOR to arrival at the venue.**

## Bovine Tuberculosis Regulations

The show organiser requests that **ALL CATTLE** attending the event are pre-movement tested despite the location of their holding of origin. The pre-movement test is valid for 60 days from the date of injection NOT the date of reading. Please be aware of this before attending any shows and book your test(s) in plenty of time.

### BVD

**EVERY ANIMAL** entered also needs to either reside in a herd accredited free of BVD by a CHECS approved cattle health scheme or, at any time in its life, have been tested individually on a blood, milk or tissue sample for evidence of the BVD virus, with a negative result. Exhibitors will be required to show proof of either the accredited BVD free status of the animal's herd of origin into which it was born or the individual animal's BVD virus negative test result prior to the event.

**All exhibitors are required to supply a copy of their TB Certificate & BVD results to the Cattle Office PRIOR to arrival at the venue.**

Copies accepted by post or email to: [cattleoffice@ukdairyday.co.uk](mailto:cattleoffice@ukdairyday.co.uk)
