## JUDGES PROFILES

### **The National Ayrshire Show – Lynn Lee**

Lynn is a lifelong dairy cattle breeder with a wide-ranging experience as an auctioneer, type evaluator for the American Jersey Cattle Association, and show judge. His previous judging assignments included World Dairy Expo, All-American Dairy Shows and the Ayrshire, Guernsey and Holstein shows at the North American International Livestock Expo.

Lynn and his family operate 340 acre farm and have over the years bred and owned numerous All-Americans and Reserve All-Americans bearing there Lee's Dixieland Prefix. He is also Co-owner of Tradition Auction Services.

### **The National Brown Swiss Show – Daniele Galbardi**

From a small village close to Iseo Lake, in the province of Brescia, North Italy, Daniele and his brother run Galby farm. The third generation brothers have a herd of 50 Brown Swiss cows-in-milk, along with followers. Their showing highlights include winning Reserve Grand Champion at the Italian National Show in 2010, winning Junior Champion in 2013 and taking Grand Champion and Best Udder in 2014.

Since 2008, Daniele has been a multi-breed classifier assessing Holstein, Jersey, Brown Swiss and Fleckvieh cattle. Daniele has been judging Brown Swiss for many years and since 2016, he has been a member of the European Judging Panel. He has judged many shows across Italy, including three times at his National Show. In 2020, he was honoured to be the official judge for the European Brown Swiss Championship.

### **Dairy Shorthorn - David Winnington**

David will travel the short distance from Stafford to judge the Dairy Shorthorn Classes. David milks 165 original Dairy Shorthorns with his wife and daughters. Their Rantonall Herd enjoyed great success at the 2021 National Shorthorn Show, winning Reserve Supreme Breed Champion. David believes in breeding from the best female lines, then using the best pure genetics, old and new, to produce a strong,

hard wearing cow with outstanding legs and feet.

David has had the privilege of judging at most of the major Shows in Great Britain. He has also crossed the water and judged the top shows in Northern Ireland and Ireland. David is currently the Vice President of the Shorthorn Society.

### **Guernsey Judge - Laura Sales**

Laura comes from Radstock, Somerset and works part time for the Walters family of Creech Hill Ayrshires, where she helps with the calf rearing and relief milking alongside bringing up her two children.

Laura was born into a Guernsey background and has a lifelong association with the breed. She has spent most of her working life with the Bickfield herd of 300 guernseys owned by the Durbin family, Bristol. She has been on the Guernsey Society's judging panel since the age of 19.

### **The National Holstein Show Judge – Adam Liddle**

Adam and his wife, Nicole, own and operate Liddleholme Farm in Argyle, New York with their children Anthony, Brock and Hailee. Liddleholme is a 300 acre farm and is home to 70 milking Holstein's with 37 being scored Excellent. Highlighted by breeding Liddleholme Resurrect Lu Ex97 4E.

Liddleholme has had many All-American nominations and is very proud to have bred or owned an All-American nominee for 13 consecutive years. Adam has judged Red & White Holsteins in 2012 & International Holstein show in 2018 at World Dairy Expo. He has also judged National Shows in Canada, Brazil, Argentina, Switzerland, Italy & Australia.

### **Jersey Judge - Eddie Barrett**

Eddie grew up on the family farm, home to the Lauremore Herd. He is the Dairy Breeding Programme Manager with the National Cattle Breeding Centre (NCBC) in Ireland.

He is responsible for the delivery of an elite selection of top Dairy Sires for the benefit of NCBC shareholders and farmers and the export requirements of "Ireland Genetics".

Eddie is a member of the IHFA official Holstein judges' panel, having been first selected in 1992. He is also on the Jersey Cattle Society of the UK Judges Panel. He has officiated as Master Judge for IHFA judging conference along with many other judging assignments in Ireland, UK and France, including the Interbreed Judge at RUAS Balmoral and Welsh Dairy Show.

# UK DAIRY DAY INFORMATION & REGULATIONS

Please observe the following rules for your safety, the smooth running of the show and the enjoyment of all who visit in any capacity.

## **Show Opening Times**

Wednesday 14th September 2022 - 8.00am to 5.30pm

### **1. Arrival & Departure**

Dairy cattle may be admitted on to the site [after 3pm](#) on Sunday 11th September until 8pm on Tuesday 13th September. Cattle may leave after the end of the show on Wednesday 14th September and, in all instances, must be removed from the site by 10am on Thursday 15th September.

### **2. Entry Fees**

There will be no cost for occupied stalls at this year's UK Dairy Day thanks to the sponsorship kindly provided by NWF Agriculture. However, each stall that is booked but remains unoccupied for cattle will incur a charge of £50.00/stall (inclusive of VAT).

All charges for extra stalls will be deducted from prize money before the payment will be made.

### **3. Stall Reservations, Catalogue Entries & Fees**

An exhibitor/team may reserve, at the fee stated above, any number of stalls they require.

### **4. Substitutes**

Substitute entries will be accepted; please ensure you notify the cattle office immediately.

## 5. Prize Money

Prize money will be distributed as follows in each class:

	1st	2nd	3rd	4th-10th	Heifer Champ	Senior Champ
<b>National Show Classes</b>	£150.00	£100.00	£50.00	£30.00	£250.00	£500.00
<b>UK Dairy Day Classes</b>	£100.00	£75.00	£50.00	£30.00		£200.00

Rosettes will be awarded down to 10th place, plus tail ribbons for Best Udder and Exhibitor Bred in each class. Championship Sashes will be awarded to each Senior Breed Champion.

A prize of £100.00 will be given to both the [Best Presented Cattle Line](#) and the [Best Tidy Line](#), both of which will be judged and announced on show day.

Prize money will be paid by BACS direct to the bank account details provided on the stall booking form or you can have it credited to your Holstein UK/CIS account. All charges for extra stalls will be deducted from the prize money before payment will be made.

## 6. Exhibitor Wristbands

All livestock exhibitors will be required to wear identification wristbands at all times whilst on site; wristbands will allow 24 hour access to the livestock hall, as well as entry to the trade show and 15% discount at the canteen located upstairs in the Ironbridge Suite. Wristband allocation is unlimited.

## 7. Accommodation

All exhibitors will be required to book their own accommodation; we recommend you do this early as rooms tend to get booked up especially on the Tuesday evening.

(Please book direct with these hotels)

All hotels are within a 5 minute walk of the exhibition halls.

Unfortunately, we are unable to offer any camping and caravanning facilities on site.

## **8. Stockman's Catering**

The stockman's canteen will be located in the Ironbridge Suite at the top of the stairs from the foyer. UK Dairy Day has secured a 15% discount on all food from the canteen for stockmen with a stockman's wristband on show day. Complimentary breakfast roll vouchers and tea & coffee will also be provided in the run up to the show.

## **9. Dress**

Leaders must wear society uniform when in the ring.

## **10. Bedding**

Straw will be provided on arrival and will be available for exhibitors throughout the event. Sawdust, fodder and haylage will NOT be provided and will NOT be available to buy on site.

Please note - deliveries of the above must be organised with the UK Dairy Day team before its arrival.

## **11. Ventilation**

Two Altra Air fans will be installed in the cattle hall, kindly sponsored by Wilson Agri. These fans have the capacity to move up to 395,000 cfm over a 60 to 70ft area. Exhibitors will not be permitted to erect their own fan.

## **12. Acceptance of Entries**

The show reserves the right to refuse any entry without providing reasons. It is the responsibility of the exhibitors/teams to ensure stall bookings are posted well in advance of the closing date. Closing dates are final and will be strictly enforced, entries received after the closing date cannot be guaranteed.

## **13. Cancellation or Combining of Classes**

The show reserves the right to cancel or combine any classes if it is decided that there are insufficient entries or exhibitors. If a breed is unable to attract 15 or more stall bookings, classes will be cancelled, all entry fees will be refunded in these circumstances.

## **14. Checking of Entry Details**

Exhibitors/teams are entirely responsible for the eligibility of their animals for the classes entered and should check that all details are complete and accurate before submission.

## **15. Competitor/Exhibitor Declaration**

By completing the entry form (in any section), you agree to abide by the regulations of the UK Dairy Day. Any exhibitors/team that break any of the show rules or uses unfair means to win a prize will forfeit all prizes and prize money and may be barred from attending future shows.

## **16. Passports**

All animals must be accompanied by their BCMS passports and double tagged with official UK Ear Tags.

## **17. Claims**

Holstein UK, its officers or agents (whether negligent or not) shall not be liable for any claims of losses or damages by an exhibitor/team in relation to the show.

## **18. Rules and Regulations**

The ruling of the show management in relation to any matters concerning the event shall be final and binding to all concerned. At any one time, they have the powers to reject an unsuitable animal. Full rules can be found in Appendix 1.

## **19. Veterinary Inspection**

All cattle will be subject to veterinary inspection at the discretion of the show management and show veterinary officer. Any treatment by the vet will be recharged to the exhibitor.

## **20. Ringworm**

All cattle showing signs of ringworm must have a veterinary certificate showing that they have been treated for at least two weeks prior to

the show, and the lesions must be inactive and have hair growing on them. Any animal not adhering to this rule with ringworm lesions will not be allowed into the show.

## **21. Udder Scanning**

Udder scanning will be carried out at the show at the discretion of the organisers.

## **22. Milking**

Milking buckets are not provided by the show. If an exhibitor can not obtain a milking bucket please contact the cattle office before arrival and we will try and make provisions.

## **23. Bovine Tuberculosis Regulations**

The show organiser requires that ALL cattle attending the event are pre-movement tested despite the location of their holding of origin. The pre-movement test is valid for 60 days from the date of injection NOT the date of reading. Please be aware of this before attending any shows and book your test(s) in plenty of time.

When attending UK Dairy Day 2022 you will need to TB test on the 18th July (at the earliest) to ensure you are within the 60-day period when departing the showground on Thursday 15th September.

**All exhibitors are required to supply a copy of their TB certificate to the Show Office PRIOR to arrival at the venue. Copies accepted by post, fax or email to [cattleoffice@ukdairyday.co.uk](mailto:cattleoffice@ukdairyday.co.uk)**

For more information go to:

<https://tbhub.co.uk/preventing-tb-breakdowns/trading-cattle/pre-movement-testing-in-great-britain/>  
or

<https://www.gov.uk/government/publications/pre-movement-and-post-movement-tb-testing-of-cattle-in-great-britain>

## **24. Complaints Procedure**

Complaints must be given in writing and handed into the show office.

## **25. Red & White Holstein Animals**

All Holstein animals that are Red & White in colour on the day of the show will only be permitted to enter the Red & White classes.

## **26. BVD**

Every animal entered also needs to either reside in a herd accredited free of BVD by a CHECS approved cattle health scheme or, at any time in its life, have been tested individually on a blood, milk or tissue sample for evidence of the BVD virus, with a negative result. Exhibitors will be required to show proof of either the accredited BVD free status of the animal's herd of origin into which it was born or the individual animal's BVD virus negative test result before the event.

## **27. Rules and Regulations for Showing Dairy Cattle**

Please refer to Appendix 1. for a full copy of the rules and regulations for showing dairy cattle at UK Dairy Day.

## DISCLAIMER

*The term "Exhibitor" includes persons taking part in any competition or display arranged by the Organiser and the owner of any animal, plant, piece of machinery or anything involved in any such competition or display at UK Dairy Day. The Organiser will not be responsible for death, disease, damage or loss caused to any exhibitor or his/her employees, nor any animal, article, plant, piece of machinery, or item of any nature brought onto the showground by the said exhibitor from whatever cause death, injury, disease, damage or loss arises.*

## **Rules and Regulations for Showing Dairy Cattle (“Showing Rules”)**

In these Showing Rules:

“Disciplinary Rules” means the Disciplinary Rules and Procedure of the Society in force from time to time.

“Inspector” means a person authorised by the Organiser and/or the Society to carry out inspections and other duties in accordance with these Showing Rules and the Disciplinary Rules.

“Member” means a member of the Society.

“Organisers” means any person organising a Show.

“Participants” means all owners, exhibitors, fitters, agents, and other participants in the Show.

“Show” means any show organised by or for the Society.

“Showing Rules” means the Society’s Rules and Regulations for Showing Dairy Cattle.

“Society” means Holstein UK and any committee appointed under the Disciplinary Rules or otherwise in accordance with the Society’s Articles of Association.

### **14.1 General Principles**

14.1.1 All Members and Participants agree to abide by the Showing Rules.

14.1.2 Members and Participants are present at the Show at the invitation of the Organisers and that invitation may be withdrawn at any time at the Organiser’s discretion.

14.1.3 The Organisers reserve the right not to extend invitations to future Shows to a Participant who breaches the Showing Rules.

14.1.4 The Showing Rules support good animal husbandry practices at shows and present a positive image to spectators. Failure by a Member or Participant to abide by the Showing Rules and/or to act in the spirit of the Showing Rules will amount to Misconduct under the terms of the Disciplinary Rules entitling the Society to bring disciplinary proceedings against the Participant in accordance with the Disciplinary Rules.

14.1.4.1 The Showing Rules support good conduct of members at shows with particular regard to officials and fellow exhibitors. Members and participants present at the show are expected to behave in a respectful manner towards the aforementioned, prior, during and post event. Any breach of this ruling may result in disciplinary proceedings being brought against the participant in accordance with the Disciplinary Rules.

#### **14.1.5 Exhibitor Bred Definition**

Animals eligible for Exhibitor Bred awards must be owned solely by the exhibitor and carry the Exhibitor’s prefix.

- a. No Jointly owned animals to be eligible for Exhibitor Bred awards.
- b. Animals gaining points for any breeder award must have only one prefix.

14.1.6 The Organisers and/or the Society reserve the right to decide upon the interpretation of the Showing Rules and any conduct or actions not specifically

covered in the Showing Rules will be determined by the Organisers and/or the Society and/or their agents in accordance with the provisions of the Disciplinary Rules.

The Organisers and/or the Society are entitled to disqualify a Member or Participant or animal from that Show if they deem that a breach or potential breach of the Showing Rules has or is likely to take place. The Society shall bear no responsibility for or liability to, a Member or Participant for so doing. Any further disciplinary action under the Disciplinary Rules shall be at the discretion of the Society.

14.1.7 All Members or Participants must sign a copy of the Showing Rules, either as a separate document or as part of the entry form, to confirm their agreement to be bound by the provisions of the Showing Rules.

## **14.2 Legislative and other Regulatory Requirements**

14.2.1 All Members or Participants shall comply with and abide by all relevant rules, regulations and codes of conduct of The Health & Safety Executive, DEFRA (in particular following the Code of Recommendations for the Welfare of Livestock), any other Government or legislative body, The Trading Standards Office and The Local Authorities under whose control the Show falls, in particular those relating to Bio-Security and Health and Safety (together "Legislative and Regulatory Requirements").

14.2.2 A failure by a Member or Participant to comply with relevant Legislative and Regulatory Requirements shall amount to a breach of the Showing Rules and may constitute Misconduct for the purposes of the Society's Disciplinary Rules.

## **14.3 Unacceptable Practices**

14.3.1 The following practices and/or procedures are prohibited when showing registered dairy cattle:

- a. Misrepresenting the age or ownership of an animal.
- b. Filling an animal's rumen unnaturally with liquid (tubing).
- c. Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
- d. Treating the udder internally with an irritant, counter-irritant, or any other substance to temporarily improve conformation or produce unnatural animation.
- e. Treating the udder externally with an irritant, counter-irritant, or any other substance to temporarily improve conformation or produce unnatural animation. (Allowable practices/substances include the use of external anti-inflammatory substances for the well-being of the animal).
- f. Causing any unlicensed substance to be entered inside the teat orifice.
- g. The setting or sealing of teats with any substance.
- h. Roping udders and the use of objects to physically improve definition of the suspensory central ligament.
- i. Administering epidural anaesthesia (blocking tails) and/or applying any irritant either externally or internally to the perineal (rectum and vagina) area.

- j. Inserting foreign material/articles under the skin, into the topline (including hair not attached to its own hair follicle) or on the feet (administration of prescribed medications, and false switches and tails is permitted).
- k. Performing surgery of any kind to change the natural contour of appearance of the animal's body, hide or hair. (The removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves is allowed).
- l. Wrapping hocks or draining fluid from hocks unless authorised by a veterinarian at the show.
- m. Attaching an appliance to an animal other than for milking.
- n. Criticising or interfering with any or all the individuals involved in the organisation and judging of the show (including the judge, show management or other exhibitors) or any other conduct detrimental to the breed or show; and
- o. The wearing of shackles.
- p. Any other practices which in the reasonable opinion of the society causes unnecessary suffering to an animal, unfairly improves its performance in a show, or otherwise undermines or interferes with the integrity of the show or brings the show or the society into disrepute.
- q. Shaving or cutting the hair on the ribs, using the very fine blades of the trimming machines or cutters, such that the ribs appear scratched or bald, is forbidden.

## **14.4 Inspection**

14.4.1 All Participants at the Show shall provide promptly to the Organisers and/or Inspectors, upon request, whatever information and produce any documents reasonably required for the proper monitoring of compliance with the Showing Rules and shall fully cooperate with any inspections.

14.4.2 All entries to the Show and personal property of the Members or Participants are subject to inspection by the Inspectors. Members or Participants shall cooperate with the Inspectors, provide access to the animal, and shall provide all such information as is reasonably required in connection with such inspections.

14.4.3 Members or Participants shall provide to an Inspector, if requested, samples of urine, milk, blood, or any other body fluids suitable for analysis.

14.4.4 Members or Participants shall deliver to an Inspector upon request any hypodermic syringe, needle or any other device, swabs, cloths or other material, or samples or any medicine, preparation, or substance whether in liquid or other form, for the purpose of laboratory analysis.

14.4.5 Members or Participants shall remove any udder supports, blankets or other objects limiting the ability of an Inspector to undertake a thorough inspection.

14.4.6 Additionally, Inspectors or their agents or representatives shall have the authority to perform on any animal entered in the Show any of the following:

- a. An ultrasound examination of the udder, prior to and after milkout.
- b. A milkout of any individual cow or cows.

- c. The collection and testing of any of the animal's body fluids, at any time.
- d. The use at any time of any other technology and other inspections and/or analysis, including autopsy, that the Inspector considers may be useful for assessing compliance with the Showing Rules.

14.4.7 The Organisers and/or Inspectors shall have the option, following the judging of the milking cow classes, to ultrasound the udders, prior to milkout, of a representative number of the milking cow classes, or to take milk samples from a representative group of cows. If the Organisers/Inspectors decide to carry out such inspections, they shall make an announcement to this effect before the judging of the milking cow classes.

14.4.8 The maximum length of any body hair (excluding tail swish) should not exceed 40 millimetres.

### **14.5 Warning of Possible Breach of Showing Rules**

14.5.1 Where relevant, the Organisers/Inspectors will take reasonable and practical steps to warn a Member or Participant before entering the show ring where:

- a. A complaint has been received of a possible breach of the Showing Rules concerning an animal to be shown; or
- b. They have a reasonable belief that there would be a breach of the Showing Rules if the Participant's animal is shown.

14.5.2 If a Member or Participant decides not to show an animal after receiving a warning of a possible breach of the Showing Rules, such conduct will be taken into account in mitigation should the Society decide to bring disciplinary proceedings against the Participant in accordance with the Disciplinary Rules.

### **14.6 Jurisdiction and Governing Law**

14.6.1 These Showing Rules shall be governed by English law and subject to the exclusive jurisdiction of the English Courts.

### **14.7 Health Testing and Animal Movement Requirements**

14.7.1 For all Holstein UK run shows & events, all Cattle will need to be accompanied by a valid UK passport.

14.7.2 Animals must have had a pre-movement tested negative for TB and evidence submitted to Holstein UK prior to the event.

14.7.3 Every animal entered also needs to either reside in a herd accredited free of BVD by a CHeCS approved cattle health scheme or, at any time in its life, have been tested individually on a blood, milk or tissue sample for evidence of the BVD virus, with a negative result. Exhibitors will be required to show proof of either the accredited BVD free status of the animal's herd of origin into which it was born or the individual animal's BVD virus negative test result prior to the event.

### **14.8 Medicine Usage**

14.8.1 During the show only the official Veterinarian on duty has the authority to decide whether an animal should be treated or not; if so, what the appropriate medicine is; and to administer the appropriate bovine medicine.
