## **Veterinary Care for the Middle Farm Ayrshire Herd**

Cheviot Vets Ltd has had the pleasure and privilege to look after the health of the Ayrshire cows for the Whiteford Family for over 19 years. In this time the herd has grown from 300 milking cows to over 500 milkers at certain times.

These numbers itself are testament to the high standards of stockmanship and welfare which is practised at Middle Farm.

From birth all animals are looked after to a high degree, starting with clean and plentiful colostrum to pneumonia vaccination given at 14 days to prevent growth inhibiting disease.

Breeding stock is selected according to growth and health, vaccinated against BVD, IBR and Leptospirosis before first mating.

The adult herd is receiving booster vaccinations against BVD, IBR and Leptospirosis on an annual basis. Milk bulk testing is conducted to check on possible viral challenge for BVD and IBR.

Bi-annual Johnes testing is conducted by CIS with antibodies testing in whole herd individual milk samples. This way Johnes Disease is kept at a very low level.

The herd is in a 4 yearly TB testing area and has never had any issues with TB to this point.

Routine Fertility checks are conducted at a 14 day interval, which are a pleasure due to the high pregnancy rate which keeps the farmer happy.

We would like to mention the high quality nutrition and feeding as it results in consistently high Butterfat and Protein plus very good health overall, resulting in the absence of any displaced abomasums for the last 8 years.

Overall, veterinary input is kept at a minimum due to efficient and high level management and care at Middle Farm.

## FOREWORD

The **MIDDLE** Ayrshire & Whiteford Red & White herd is one of the **FINEST** in the UK and the Whiteford family have a strong reputation for selling their **BEST**. This is without doubt the most impressive group of cattle to ever be offered from Middle Farm and this premier event gives milk producers excellent opportunities to purchase dairy cattle that can perform to the highest standards.

The Whiteford family have been farming at Middle Farm since 1947 and have staged several important reduction sales over the years with satisfied customers returning for these unique genetics. The Middle cow is moderate in stature with an incredible wedged frame, the feet and legs are strong and have excellent locomotion and the udder quality is sublime! Yes, the Middle cows are trouble free, long lasting animals bred with the modern milk producer in mind.

This is the youngest group of Middle cattle to ever be offered!

**AUCTIONEER'S TERMS & CONDITIONS OF SALE**

(Incorporating the Auctioneer's  
Terms and Conditions )

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
